Hello Car Clubs

We hope this letter finds you all well. The 2021 will be the final year for the Veterans Memorial Car Show. With your help, we hope to make it truly "Memorial." Attached is the flyer for the 30th Annual Veterans Memorial Car Show. We thank everyone for the 30 years of support; you have made it possible to assist numerous veterans over the years.

We can all walk away proud of what we have accomplished over the years to help our Veterans and create a non-profit; Volunteers for Veterans Foundation (VFVF) will continue to support veterans daily. We hope that you will continue to participate in events organized by VFVF. To sustain support for our veterans, the Foundation will need funding and volunteer effort from everyone.

Once again, thank you for your continued support and participation in the Veterans Memorial Car Show and our veterans.

This email is going out to all club members that had signed up for the 2019 car show. You may receive this information twice as it will be going out to everyone on our email list at the end of the week.

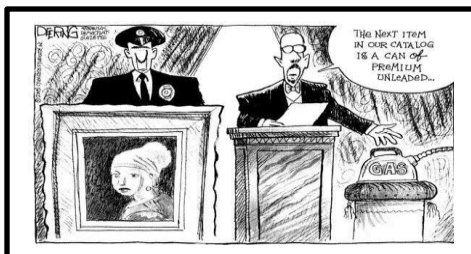

Sincerely
The Veterans Car Show Committee

The show flyers are in this newsletter.

I left my home for the Clovis show on Friday at about 10:00 AM figuring about a 4+ hour drive what I didn't expect was how much "+" there was actually going to be!

I started out on the 405 and once I was past LAX, I ran into bumper-to-bumper traffic which cost me about 45 minutes in delay. I had smooth sailing from the Sepulveda Pass on up to Bakersfield, where I topped off the tank. About 20 miles above Bakersfield, I ran into extremely slow traffic all the way to the Clovis exit; explanation, road work on the 99! Well after about a total of 6+ hours I finally made it to my destination, the Hampton hotel in Clovis.

I made it over to the Pontiac Club show on Saturday morning about 8:15 and was surprised to see several fellow So Cal members with their cars, i.e., Russ Golesh, Pete Van Der Kraan and Bob Prichard. We hung out together for the rest of the show and enjoyed each other's company.

I would guess that there were some 200 cars at the show which was held at the Baptist church grounds this year since the city of Clovis wouldn't allow the show to take place at the park which is generally the venue site.

It turns out that all of us, So Cal members got an award for our cars. It was a real good event, and the weather couldn't have been better. I stayed in Clovis one more night and on Sunday headed for home. This time I made the trip in just over four hours, the old Omega just hummed along at 70 or better. I would have liked to have seen more So Cal members at the event but considering the times we live in I wasn't surprised!

Work for your membership drive. A car is required on clubs J12 space. Canopy based on size you can carry or other personnel shade you can muster. 5:30 a.m. requirement on J12 to hold space. Missed time slot puts you in overflow area's if space gets captured by a day of show vendor. Contact show Promoters if our space is occupied before 5:30a.m and won't be vacated. Prepaid multiple event vendors (we are and pay 6 events) have easier access to a line to make it to J12's time needs. Chapter table and clip board and membership application table and alternate back drop or front sign acceptable. Setup for club needs to meet a 6 a.m. shopper entry time. Yes, first off Club set up to meet 6a.m. walk-in traffic. Any member has option on request to the board to vendor or run the membership drive for free Holiday Banquet dinner to person bringing in most members in current year. Contact your board for opportunity to help the club and training if you have not worked the site before. The Board is listed on page two of your Rocket Circle Monthly Newsletter. This is a rain or not event, you will not be expected to set up at a rainy-day event to avoid soaking club items. We encourage promoting our national club at this event. The last event was worked by board members Domenic, Butch and Art attending. Domenic Chapter Secretary

Hi everyone,

Your board is busy looking for a venue we can use for our regular members meetings beginning in August. Hopefully Covid continues to be on the path of being under control. In the meantime, Grant and I and your Board would like to invite to a "Get Back Together" gathering. It will be here at Warner Ranches new location in Oak Hills.

We will be outside so it will be Covid friendly. We will provide a continental Breakfast and a BBQ lunch. So, dust off your Oldsmobile's and join us. Come early before the heat sets in the Cajon pass and enjoy a summer day at 4200 elevation. We have parking for several Oldsmobile's inside our gates and for your Brand X cars at the curb. I will be sending a flier with the details soon.

Let's Get Back Together!!!! Mark, your calendars for July 10th 2021
