Vice Presidents Message

FYI- I received this from our Zone Director

I just learned that Dan Anderson, my PSW Zone Director counterpart in Arizona, has decided not to run for another term. This means that there's an opportunity for another OCA member located in the Pacific Southwest Zone to step up and join the OCA Board of Directors. I am planning to run for another term, so, if the membership re-elects me, I'll be continuing.

Dan has contacted Art Soucek of the Arizona Chapter regarding putting an announcement in their newsletter, so I thought I'd contact both of you regarding the California chapters.

So of course, the question is why serve on the Board? My experience of late has been, while it's a lot of work, it's also a rewarding experience knowing that the Board is working effectively to ensure a positive future for OCA and we are having fun, too. All of the Board members are great to work with, and the can-do attitude is great to be around. It has been an example of the team being greater than the sum of its members. That's why I look forward to continuing to serve.

If you come across anyone interested in running for Zone Director, please encourage them to contact me or Dan if they wish to learn more about the position. The nomination process (it's very simple) and time window opens in November, with the election being held early next year.

It's okay to release this e-mail or insert it in your chapter newsletter, the more people that know about the vacancy, the better the chance of filling it.

Thanks.

Jon

Secretary notes on Membership Renewals and Chapter Board Officer open nominations.

December first (1) for the year two thousand and twenty-one (2021) marks time for your membership to renew for the year twenty thousand twenty-two (2022). Our Treasurer Ellen D. Santucci prepares a mailing with your renewal form and a ballot for Board Officer Election if we have any contested positions. Ellen includes a self-addressed pre stamped envelope making returning these items very simple. Nominations were opened in September. If a candidate wishes to nominate themselves for any of the offices starting with President, Vice President, Secretary, Newsletter Editor, Treasurer and Area Representatives they may do so. Only active members may nominate a candidate. If you nominate someone other than yourself, you we must get their approval. Nominees for an office must be willing to devote time to actively participation in club activities as required. A Board member is required to participate in the operations of the club. There are no time limits set on how long an officer of the chapter may serve in an office. The Board will certify the election either after balloting is done or after the deadline if no offices are contested. The Board has the option to select an active member to fill a position by appointment to the board after elections close and a need exist. The single point of contact for your nominations will be designated Domenic Santucci. Please email nominations to him. He will respond to your email verifying the receipt of your nominations.
