Southern California Membership Meeting held December 11, 2021

Today we had our membership meeting at Ruby's Restaurant located in downtown Orange. Next month on the same Saturday at 9:30 a.m. January eighth (8) we will meet again at this same location. Other locations looked at did not meet some of our required criteria of free site, time needs, individual checks, day of week, food option and centralized locations. We ask you to keep looking for an alternate if this location does not work out for us. Today's meeting format was different as we ate first and then followed our meals with our meeting. Keith Berg opened our meeting with our flag salute. Keith then asked if any new members or guest were in attendance to let us know now. Next Keith called on our treasurer Ellen D. Santucci to give her financial report. First off Ellen noted she also wanted us to inform her of a member that was in need wellness greetings or knowledge of a members passing. Get well cards were circulated around the room for signatures to Milton Yee, Jim Charlesworth, Greg Deursh and Joel Caver. On a sad note, Gail Kentrup, a prior member supportive to club needs recently passed away and a card made the rounds for her family. Ellen next spoke to donations to The Orangewood Foundation which helps kids transitioning out from the age of eighteen. Noted donations are cash \$290.00 dollars a Target Gift Card, a model car, canned goods and personal care items. Ellen next noted that the clubs' financial reserves are adequate to conduct chapter business. Ellen closed that if any chapter member wanting to make any financial inquiries that they should direct them to her. Keith next spoke to old business items and Grant Warner our Vice President called for membership to seek out events we can participate in. We have on schedule a monthly meeting cash drawing splitting ticket sales revenue to the winner this month the chapter treasury was enriched by \$77.00. In the month of March and September at meetings we conduct fund raising white elephant sale auctions for our annual picnic and zone events. In September we open nominations for board officers which end in October. Volunteers are always welcomed to serve with the board for events and membership drives. Our last club show held at Grants business location displayed a variety of Oldsmobile's and food was boxed in as part of registration from Jersey Mikes. Grant thanked all that attended which was heavy in the 50's. Grant was thanked with a round of applause for donating the awards. Keith donated soda and ice for the event and Karon Pierce Warner our Editor and Ellen, and I worked the event with Scott Graham doing club sales. The show netted a profit of \$287.51 for our 2022 events. Joe Tannerbauer a Chapter Area Representative worked the last Performance Swap Meet in Long Beach and will work the two in January. Joe noted a free entry (\$10.00 for walk in at 6:00) with him for the 5:30 setup to help with club membership drive is available. If you wish to host this event in his place just let him know as we do this membership drive monthly. The meeting did not include a break period and Keith moved to new business agendas. A call to all made for seeking events we can attend as a club event. Your board of directors needs your assistance in not just mentioning places to go but your assistance in researching that venue. A few items were announced as optional items to visit. March is the Arizona Show which Keith noted is 405 miles and I asked for anyone wishing to host a caravan to the event to contact to let us know soon. We need to make contact to ascertain any Covid Restrictions with a venue selected such as mentioned in our meeting the Movie Museum across from and included in suggestions the Peterson Car Museum. We need to check with So. Cal. Car Culture to set dates around other events colliding with our events. We also need to make a zone show inquiry with the Northern CA. Chapter. Also, we need to get their annual picnic show date to avoid double booking our date selection with theirs. We need to book our site early enough to avoid not having a location large enough for a show and picnic. Keith will check with the Automobilia Collection and those interested can also check into the Turlock Swap Meet. Grant raised the question to our 50th year as a chapter and apparel to hold that logo for our annual picnic event. This financial decision was tabled to the next board meeting. Keith and Grant reminded attendee's that the next meetings are scheduled here for January and February on the second Saturdays at the same time. Joe spoke to donation for an animal rescue site in Los Angeles called the Friends for Life his recommendation will be moved to the board meeting agenda. The raffle was won by me thank you for attendance I have a new club hat and paid for our meals. As usual the winner gets a cheerful razzing by attendee's, thanks Cal. We have addressed the serving delays with the management.

Cheers to better time in 2022!

Arizona Show Update:

I asked Jim if they were planning any additional activities during the show weekend. This is his response.

Hi Karen,

Sorry for the delay in responding about activities for our March show. We will be having our monthly meeting on Saturday the 26th at the Pavilions weekly cruise night on Club Row. The next day Sunday the 27th we will be having our annual all Arizona Oldsmobile in Gilbert where the last 3 gatherings have been held. We were not able to have it at the Pavilions because in the planning stages things were not clear on the future of the weekly Pavilions cruise night. Due to current situations the Friday night welcoming dinner will not be held. So to recap we will be having two activities, the Saturday night Pavilions cruise night on Club Row and the following Sunday morning our annual show in Gilbert. I'm not sure yet if there any lodging suggestions, I would direct you to Art Soucek for information on that. 480-632-1843 mr442olds@cox.net. Happy New Year and hope to see some folks from the SOCAL Olds Club in March.

Jim

"Turn your eye for beauty to a mighty satisfying sight."

Song lyrics? A line in a poem? No, it's advertising copy from a fold-out magazine display in the Oct.

3, 1959, edition of [The Saturday Evening Post](#) introducing readers to Oldsmobile's selection of cars for 1960 "for the person who wants the finest the medium-priced class has to offer."

From the Oct. 3, 1959, edition of The Saturday Evening Post, a time when advertising was art. I discovered the ad a week ago among my collection of vintage automobile advertising.

Ask Your Zone Director

By: Jon Manji

Here are the highlights of the November 3rd OCA Board of Directors videoconference:

- Upcoming OCA Election: President Sal has reached out to all of the Board regarding their intentions to run for office again. All but three have indicated that they will run for re-election. (Note that Dan Anderson is not running again, so there will be a Pacific Southwest Zone (our Zone) Director vacancy, so there's an opportunity for someone to run for Zone Director.) Nomination period closes 12/30. Ballots will go out with the February issue of JWO. Contact Jon or Dan to learn more.

Past OCA Secretaries Dalene DeLong and Cathy McKinley have volunteered to Co-Chair the Election Committee.

- Webpage: Our current Webmaster is resigning around Thanksgiving; he will help train a new one. President Sal has spoken with McPherson College regarding potential candidates and has supplied them with a job description and related info, he has not heard back from them. Treasurer Marcie has volunteered to help but will need training. Peter Gariepy, webmaster for the Cadillac/La Salle Club, Vintage Chevrolet Club of America, and others, has volunteered his help on a trial basis, but would want to be paid for his work if he can make the webpage profitable.

It was noted that the online membership renewal process doesn't allow an associate member to renew before the primary member, the primary member must renew first, then the associate member can renew. Also, an associate member cannot have the same e-mail address as the primary member. Item was added to the fix-it list for the new Webmaster. Vice-President Bob mentioned that he'd like to see smaller, more frequent dues increases (if necessary) rather than larger, less frequent ones. Treasurer Jeff stated that he still has a few options to try before supporting dues increase. Also discussed was possibly adding a service fee for renewals paid with credit cards.

- Advertising: Member and well-known collector Joe Spagnoli is selling off about seventy-three of his cars through Mecum Auctions, the first batch will be sold at the Kissimmee, FL auction in January 2022 (cars are already listed at mecum.com). Advertising Manager Jerry Wilson reported that there has not been much advertising activity beyond Rock Auto and a few other prospects. Need a way to track ad effectiveness to demonstrate success/value. Let him know if you are dealing with companies that might be interested in advertising in Journey With Olds (JWO).

Also, please note we're still looking for volunteers to run for Pacific Southwest Zone Director, the nomination period ends Dec. 30. Having both of our Zone Director positions filled ensures that our Zone is fully represented on the OCA Board.

As always, please feel free to use the attached article to inform your officers and/or chapter members about the proceedings at OCA. And if there are any topics of concern or questions that you would like brought up at the Board videoconferences, please feel free to contact me or Dan. That's what we're here for.
