Pete & Bernie Taken last Saturday at the Scottsdale Pavilions on "Club Row " with my '57 Super 88 Holiday Coupe. These two are an institution in the SoCal Oldsmobile Club when it comes to the '57s so this picture is iconic of them both standing next to one. We had a very successful AZ Olds show yesterday with about 75 cars on the show field.

Our 50th celebration is coming along. I hope you have marked your calendars with a "Save The Date". It is September 24th, 2022. The Board is working hard to plan a great day with a few surprises. Help us get the word out and make sure you club member friends are planning to attend. We need you to get out in your communities and solicit donations for the Raffle. Please and Thank You.

March 12, 2022, Board Meeting socialmobile.com Secretary Domenic Santucci

A short Board meeting followed of Membership meeting. The topic our 50th Anniversary Show and Picnic. . Newsletter Editor, Karon Pierce-Warner, presented a couple of ideas and their cost. She and Vice President, Grant Warner, will pursue cost and breakdown. SHHH...a few things were approved. They will be a surprise that day. I was reported that Grant sent a check to pay for our portion of the Zone Show insurance. Chapter Treasurer, Ellen D. Santucci noted she will be in contact with county to take care of the permits we need for our Memorial show and Picnic. Ellen also asked Karon to double check when the caterer's insurance expires and to clarify that they will be renewing it. The board approved payment for the permit and the post office box. The board repeated the need for our members to go out into the communities to solicit donations for the picnic raffle. It can be helpful to take a flyer with you when doing so. Karon will handle the Baskets for the silent auction at the Zone/show. Area Representative, Joe Tannerbauer, closed the meeting.

So, my stepson Ryan and I embarked on the transformation of a rusty, neglected, and anemic 1975 Hurst Olds W-30 car back in November of last year which we have now named "The Rusty Ho"..

The original intention was more of a restoration but that plan quickly morphed into building a car capable of racing at the dragstrip and still have some potential street duties.

The 1975 H/O W-30 car comes with a very much "detuned" 180hp 455 engine with single exhaust, catalytic converter (first year for this), full complement of smog equipment, 8.5 to 1 compression, and a single leg 2.56 rear axle..EEEEEEK! So much for any "G" force sensation at launch from the stoplight.

Well after the "Doctor" and his very keen understudy Ryan performed some top secret tweaks to this lumbering beast, 3 gear dry burnouts on fresh slicks are now possible so don't ever let anyone ever tell you the smog area 455's are dogs, they just need a little love to wake them up...lol Can you say "torque monster"...

Look for a more detailed article on this transformation as well as updates as we take the car out to its first drag race at the end of April.

A shoutout and big thank you here to John at J&S Gear in Huntington Beach for building one badass rear axle assembly to help with this project.

Grant

Well, I didn't know Warner Ranch had a Drag Strip. Apparently, we do...Yes, Grant did this!!!!

Membership Meeting socaloldmobile.com March 12, 2022, by Secretary Domenic Santucci

Today's meeting was led by Area Representative, Joe Tannerbauer. Joe called the meeting to order and called for the pledge of allegiance and introductions of guest Ryan Pierce. The next item on the agenda Joe had distributed to attendee's was to call for Treasurer, Ellen D. Santucci, to give her report. First off Ellen asked attendees to notify her of any members that have passed or are having any health-related issues. Monthly she will pass around get-well cards, for those in attendance to mail members. Ellen next noted that we are financial able to carry on chapter business. The Board has approved payments for our post office box fee's, insurance for the zone show and the anticipated fees for our September 24, 2022, Memorial 50th year Anniversary Picnic. Joe next called for approval of the minutes scribed in last month's newsletter. Grant Warner our Vice President made motion to accept the minutes and Area Representative, Dave Walters, seconded the motion. After little discussion members in attendance voted to approve the minutes. The Long Beach Swap Meet report was given by Joe and he noted the vendor participation was up and a member to host April event was needed. I noted I could work the event and arrange to get the materials needed which included the club canopy with weights, club tote with paperwork and pass, chapter table and advertising bulletin board. Just a reminder, that to keep our space at this event, one must be on the space J2 by 05:30. J2 is a place to visit, hold your items with time limits and support our membership drive. Joe is working tomorrow's swap meet and hopes to gather interest and membership as he worked the previous event. Joe spoke to the event he organized for the Tom Malloy Car Collection in Corona that was attended by 17 which followed by 11 then going to lunch. Joe asked if there was any other old business and as there was none moved to our White Elephant Auction used to support the zone event. During the auction last month's raffle winner Area Representative, Art Whitney, sold tickets for the drawing at the conclusion of our meeting. Under new business the March 27th event is Arizona show noted as well as our own zone show also posted in our newsletter. The zone show will be at the church's parking lot this year not at the park. Grant reminded attendee's that you must **sign up for both** the B.O.P show, and the zone show to enter the events. A couple of items the same hotels are used and there is a Friday night cruise with the award portion on the show evening as more a casual event. On another event, Dave Walters, volunteered to investigate requirements for the movie museum recently open in Los Angeles that is by the Peterson Museum. Grant next opened the auction with assistance of Associate Member, Butch (Harold) Williams. Hand acknowledgment bids came in with some humor twist behind the scenes from attendees. Many sales occurred. Ellen will give her treasury report on the auction at the next meeting. Ellen then noted she will be getting with the county to ensure that our insurance with OCA occurs early for a show permit. It's time to ask you to seek out donated items for our 50th Anniversary Memorial Car Show. Raffle prizes are always a hit at the show such as products, services, event tickets and more. Remember any Oldsmobile Powered Vehicle can enter our show as we have entertained a Willy's, a boat inquiry, a Ford Roadster by example with our Oldsmobile Vehicles. This event is "People Choice" voting. We welcome Oldsmobile's that are not entered to show. Take note of the Cut-Off date on you application. We will need to notify the Caterer for the event of our count 10 days prior to the picnic. Dave Walters was our winner 50/50 so he will be selling tickets next month. Joe called for any new business and the "Parts Call" with none he adjourned the meeting.

(Note: as a reminder to attendee's our only fee for using the room at Ruby's is a 20% gratuity for our server's Gratuity amounts can be found at the bottom of you bill.)
