General Membership Meeting socialoldsmobile.com May 14, 2022, Scribed by Domenic D. Santucci

Grant Warner, Chapter Vice President, led today's meeting. Introduction and traditional pledge of allegiance followed. Grant asked if any new to meeting or members yet to attend a meeting were present within the twenty-one attendees. Kim Tucker spoke up and noted he recently placed third in the Pontiac portion of the zone show and first in the Oldsmobile portion of the zone show. Sal (Salvador) Diaz a prior member from 2017 rejoined and Al an owner of a 1970 442 was here for information. Grant then called for Ellen D. Santucci, our Treasurer, to give her reports. Ellen noted that swap meet sale items donated by Bob Minty to the club sold for \$180.00. Ellen noted she gives the board bank results with an updated membership list monthly and we have adequate funds to operate. At the last zone show profit splits with the Northern California Chapter netted us each seventy-one dollars and six cents (\$71.06). Grant next asked that we approve the minutes in last month's newsletter. Scott Graham, Merchandise Manager, seconded the motion to approve the minutes and they were approved by members in attendance. Grant then asked Joe Tannerbauer, Area Representative, to give his feedback on the last swap meet in Long Beach. Joe noted that as event was held on Mother's Day vendor participation was off and crowd was down. Joe then added we are always looking for members to host the booth on space J2 (yes 1957 Oldsmobile 3 carb. Option J2). Our next events to plan on based on today's agenda is June 5th, July 10th, August 14th, September 11th, November 13th and December 11th. Yes, we need members to promote our club and sign up new and renewed members. Highlights breaking down since 2019 Zone Show was first off reconnecting with membership from both Oldsmobile Clubs. Our show portion was formal judging with ten cars from the north and 8 from the south and over all other Oldsmobile show entries at thirty (30). Grant thanked Area Representatives Dave Walters for getting and bringing up club tote and canopy although not used. There will be a writeup on the show in our next newsletter. The Pontiac Club did the overall full General Motors portion of the show. Member Dave Howe was the big winner with long distance best of show and best So. CA. Car presented by the northern chapter. Grant summed up the show and banquet as it ran smoothly with a great array of cars. Keith Berg, Area Representative, noted the photo posting array was excellent that he observed. On a highlight from Grant on "Rocket Science Racing" from Grant his racing from Bakersfield included family in the drag racing with Ryan getting a 75 Hurst Oldsmobile (purchased from Scott) he and Grant modified and ready to run and having a four (4) way tie in point class. Next Scott was called on to show and sell T-shirts for the new 50th Anniversary Logo shirts on hand. Contact Scott for purchases with cost and size variety for men at \$20.00 each and ten ladies V-necks at \$25.00. On mailed items there will be an added shipping fee. On a side note, Kim Tucker, is going to support a request for an older car he must transport an elderly gentleman at age 88 for his birthday party event. Upcoming events check your last newsletter for flyers. Noted for June is the Rubel Castle in Glendora check with Hans Hermann, docent, at 626-824-6633 or go on the GlendoraHistoricalSociety.org for information. July is still unscheduled we ask members to research an event possibility before presenting it to the board. August 27th is the Wheels and /windmills Solvang Show with a BBQ at the Mendenhall Oil Can Museum. Grant next moved on to our 50th Anniversary Show updates. Taco Lunch and drink ticket/s **provided** at no cost to any first car entries verified at the registration check in table. Yes, the show is open to all Oldsmobile powered engine entries. Ellen noted that the chapter has had multiple shows at the Yorba Regional Park shelter one. We encourage you enter early to make it easy to process your application helping to determine meal needs and Grants parking layout for entries. We also ask for product or service donations members can support with local well-known establishments for our show raffle. A volunteer list request will go out for the July for our show workers. A short parts call transpired with a request to email our newsletter editor your free ads for the newsletter. Dave Walters promoted our meeting 50/50 offering which Scott won \$45.00. I noted Art Whitney was remembered as a prior winner due to sell future tickets. Grant closed the meeting and noted any member of the chapter is welcomed to stay over or can attend the monthly board meeting. On a final earlier note, Joe did raise the question on two open slots on the board one for a President and one as an Area Representative not yet filled by the 2021-chapter election that can be appointed by the board.

Board Meeting May 14, 2022, socaloldsmobileclub.com scribed by Domenic D. Santucci

Our meeting today was led by Vice President Grant Warner, and it followed our membership meeting. Grant opened with his handout agenda to discuss our September 24th 50th Anniversary picnic. Most helpful would be for all members to push our early registration via handouts. Our food vendor has renewed their required insurance to work in the park. Treasurer Ellen D. Santucci noted she will finalize with the park our vendor for our booked shelter. Ellen noted that insurance for our show was approved and paid to the Oldsmobile Club of America (OCA) and the County. Grant noted that Scott Graham, our merchandise manager, sold the first offering on the 50th Anniversary T-shirts that are available in inventory and ready for purchase. Grant next noted that the special to be named item (top secret) for club members at show distribution was received. Members registered or attending the show will get theirs at the show on September 24, 2022. Grant also noted the same award vendor was selected from our last annual show. The vendor chosen, will update awards and dash plaques. A second surprise will be found in your show packet, so make sure you go through them thoroughly and don't forget to vote for your favorite car. Grant is hopeful we as membership get signed up early to make a simpler task, he needs, to layout the parking of classes. We next discussed a need for membership to secure prizes for our show raffle. It was felt if members used the picnic flyer it will help business put forth a donation to our event. Ellen asked that members should seek our business most recognized in our communities. To date the member that posted in California Car Culture and on Facebook needs to recheck the event ad is posted. We agreed that our show flyers distributed at auto events by members would also be helpful. On the next topic raised by our Newsletter Editor Karon Pierce-Warner, was to purchase a business card ad in the National OCA Club's annual show magazine. Karon made a motion to run a \$30.00 business size club card as support to the event. Area Representative Joe Tannerbauer and Grant both put forth a second to approve the motion that the board then approved. Grant speaking on membership drives, to get quick club recognition at events, raised the subject on a 50th Anniversary Banner. Our newer banner is under discussion and will cost \$100.00 after final wording is supported by the board. Other events are being discussed and sought out by the board. We do need the members to investigate an event prior to submitting it to the board. One event under discussion is the "Shelby" Collection. I noted that maybe they have a Series1 Shelby Oldsmobile like attendee's had an opportunity to see two (2) years ago at the Kent Browning Auto Collection. A very important item regarding adding an Area Representative to an unfilled office came up. Area Representative Joe Tannerbauer noted in the last membership meeting that one Area Representative and one President Board slot had yet to be filled and needs a candidate. Attending member Randy Hare, signing up his son "**Race**" as a member today. Randy spoke at the board meeting and asked that he be allowed to fill the last area representative opening. After discussion and all making an appointment motion, Randy was approved and seated as an Area Representative. Find contact information for Randy on page two of your May Newsletter. I reminded Randy his office position runs through December 1, 2022. Our nominations for the 2023 elections open in September and closes at the October Board Meeting. I also thanked Area Representative Dave Walters for promoting our membership meeting raffle won by next presenter either Art Whitney or Scott Graham since they were prior winners yet to fill their duty obligation. On a repeat request, Area Representative Butch (Harold) Williams, asked that the return address on the mailed copies of newsletter should be the Southern California Oldsmobile at P.O. Box1083 Orange, CA 92856 not Oldsmobile Club of America. At this point, Grant with no new or old business additive to the meeting, closed the meeting as we must vacate the room based on our start time today it is noon.

Welcome Randy Hare as our new Board Member. He is now an Area Representative.

Ask Your Zone Director

By: Jon Manji

Here are the highlights of the May 11th OCA Board of Directors Zoom videoconference:

- Treasurer's Report: Treasurer Jeff Walsh reviewed the 2021 and 2020 year-to-date reports. We are off to a good start this year, with about a \$1,900 surplus so far. Outlook for the year remains guarded, given rising costs and unforeseen expenses such as the paper surcharge imposed by the JWO printer.
- President Sal noted the event liability insurance coverage issue affecting other clubs and thanked Past President Jerry Wilson for his work in making sure that our coverage is complete.
- 2022 National Meet: As of last Friday, 298 guests and 115 cars were registered. The number of registrations are picking up and expected to increase as we get closer to the May 25th deadline. Secretary Marcie noted that committee and other Board reports are due to her by May 22nd.
- 2023 and Later National Meets: OCA has issued Request for Proposal (RFP) to several cities in the central and northeastern U.S. The RFPs are the first step in finding appropriate venues for future National Meets. The RFPs are due before the July 6th Board meeting and an update will be presented to the Board.
- Membership Dues Increase: President Sal discussed his article about the dues increase, which will appear in the June JWO. He noted the alternatives to the increase, such as reducing the number of pages of each JWO issue, etc. Atlantic Northeast Zone Director Sal Cerrone mentioned that most everyone is aware of rising costs, he noted that a local car shows where the sponsors' award cost increased by \$50, thirty-five of the thirty-six sponsors accepted the increase.
- Promotional E-Memberships: Discussed and suggestion made to develop guidelines for this program.
- Zone Zoom Meetings: President Sal announced that these meetings will start after the National Meet.
- Advertising: Zone Director Sal Cerrone mentioned the bundling and pricing for National Meet Program Book advertising. President Sal agreed that crossover from Program Book ad sales to JWO is a good idea to close deals and bring in the ad revenue. Advertising Manager Jerry Wilson noted that invoices for current JWO advertisers have been issued. Treasurer Jeff noted that one or two invoices are still outstanding, payment has been received for all others.
- Miscellaneous: Volunteer photographers are still needed for the National Meet. Long-Term Membership Chair Cindy Klemm noted that thirty-seven members are eligible for their recognition gift this year. Interest in past OCA posters was noted on an online forum, Jerry Wilson researched the possibility of reprinting the posters, just need a volunteer to do the project, contact Jerry if interested. Pacific Northwest Zone Director Ed Konsmo bid the group goodbye, as he will not be attending the National Meet and did not run for another term. He has been on the Board since 1999. President Sal thanked Ed for his contributions to the OCA. Atlantic Northeast Zone Director Tom Aukzemas will oversee the National Meet Silent Auction and reminded everyone to send him their contributions to the auction.

The next Board meeting will be in-person at the National Meet, on July 6th.

This is a summary of the meeting, please feel free to contact me if you would like more detail about any of the topics mentioned above. My contact information can be found in the front pages of any recent copy of JWO.

Ask Your Zone Director

By: Jon Manji

First of all, thank you for re-electing me to another term as your OCA Pacific Southwest (PSW) Zone Director. I appreciate your support, and I will do my best to help provide value and benefit to your OCA membership.

We do have a second PSW Zone Director position that is vacant, meaning that our Zone does not have full representation on the OCA Board. Please consider volunteering for this vacancy to serve your fellow members and improve our club. There is a process to appoint a director to fill this vacancy between elections. Feel free to contact me if you are interested in volunteering.

Also, a reminder about the deadlines for the National Meet- your completed registration form must be postmarked no later than May 25th to be accepted. The same deadline applies for Member Car Photo submissions. Note that Chapter Display Ads for the National Meet Program Book must be received (not postmarked) by May 25th.

Here are the highlights of the March 9th OCA Board of Directors Zoom videoconference:

- Treasurer's Report: Treasurer Jeff Walsh reviewed the 2021 and 2020 year-to-date reports and will continue to do so at each of our bi-monthly Zoom meetings. Some of the revenue shortfall seen late last year has been partially recovered in the first two months of this year. Notable was an increase in dues revenue this year due to the individual member follow-ups by Office Manager Marsha Nicholas. We are off to a good start.
- New Member Promotion: President Sal suggested that OCA offer a small number of free one-year e-memberships to the chapters as a promotional/new member recruiting item. This would provide another benefit to the chapters from OCA. It was noted that for our last e-membership promotion (50% off e-membership to celebrate OCA's 50th anniversary), about one-third of the new members that signed up continued on as full-rate paid members. Details of this new promotion still need to be worked out, contact Sal with any comments and/or suggestions.
- Zone Zoom Meetings: President Sal will be sending out e-mails to Zone Directors and Chapter Presidents announcing open Zoom meetings for each Zone hosted by him to discuss any topics of interest or questions that members may have.
- 2022 National Meet: The New England Chapter is pooling resources for transportation and is arranging for a couple of commercial car carriers to transport some members' cars to the Meet. Eastern Great Lakes Zone Director Ken Nicholas challenged Board members to each donate an item to the Meet's silent auction; he will be donating an Oldsmobile-stained glass artwork. The Meet info and webpage links have been pinned to our Facebook page for easy reference. Jerry Wilson volunteered to lead the effort to have Oldsmobiles in the glass tower at the local GM dealership again.
- Commercial Advertising: Advertising Manager Jerry Wilson and President Sal have been looking at ways to increase ad revenue. Jerry has reviewed other clubs' publications for Oldsmobile-related companies. Webmaster Stefan noted that we should include electronic media (our webpage, social media pages, etc.) advertising in the discussions with potential sponsors. We receive analytics (data) from Google regarding OCA website traffic; this can help advertisers track the effectiveness of their ads. One method of improving our website traffic may be to post our recommended repair shops list.
- Miscellaneous: Looking for volunteers interested in reviewing the current Zone boundaries and developing a proposal to readjust the boundaries to better reflect the current membership distribution- contact President Sal if interested. Secretary Marcie Ranick mentioned that committee reports for the July Board meeting will be due in early April- she will send out reminders.

This is a summary of the meeting, please feel free to contact me if you would like more detail about any of the topics mentioned above. My contact information can be found in the front pages of any recent copy of JWO

FRIDAY NIGHT BBQ

Friday, August 26, 2022
5:30pm - 9:30PM
Mendenhall's Museum
24 Zaca St., Buellton, CA.
