Board Meeting socaloldsmobile.com August 13, 2022, scribed by Domenic Santucci

Grant Warner opened the meeting reviewing the details of our 50th Anniversary picnic and show celebration needs. First off, the food vendor, will deal with their setup for cooking and serving members with meal tickets. No late show registered entries, after September 14, get 2 free meals. If attend without a car, a meal purchase can be made by using the registration portion of the form additional lunch/s at \$15.00 each. You have the option as noted to purchase a lunch or bring your own including a non-alcoholic beverage. The chapter will place table covers on tables under the main reserved location shelter #1. In addition, at this site will be ticket sales for the raffle. Awards will be distributed at the end of the show. There will be a 50/50 raffle ticket for a cash sold during the show. Scott Graham will have a table under the shelter to sell club merchandise. Yes, our 50th Anniversary T-shirts will be available for you to purchase. The registration packet will be at the show registration table as you enter. Be sure to go through your packet for the show instructions, dash plaque, a decal and window class entry description window sheet. At last meeting it was suggested we allow non-Oldsmobile vehicles into the show. A 1st, 2nd and 3rd award will be sponsored by the Hare Family. Possible discussion on next years show option or clarification of entry registration form is on abeyance. Voice your thoughts to the board members on the show and what you want to see as an option if any for next year with your feedback sheet. All the show permits have been obtained and our food vendor is insured and approved by the park. Our cost outlay at this point for the membership has been extensive this event is meant to give back and celebrate with our membership the club's golden anniversary. Our Treasurer as stated in our membership meeting, we have adequate funds to operate. As noted above we need more Raffle Prizes. As you canvas for raffle prizes take a show flyer with you to point out the legitimacy of our event. Randy Hare and Keith Berg noted next that updates on different web sites have been checked to get for accuracy the goal to get more entries to our show. We next review items we need to for the picnic. We need to purchase additional table plastic coverings, trash bags and to bring the 2 way radios, club canopy and back drop with weights, swap meet items, ice chests with ice for beverages, trophies, gift items from club, registrations supplies, OCA setup, signs and banners with club merchandise. Ellen reminded us that she will need a few things that need to be purchased for the show. On another event item, Randy is in discussion with the docents at the Castle Collection. He will provide feedback at the next meetings, membership and or board, or update our editor Karon Pierce-Warner with a flyer for the event if sooner. Look for flyers in your newsletter as Karon receives them also from other entities. Next month, September, is the month for two events to note. First off, we have at our meeting our semi-annual White Elephant Sale. We request if you have an item no longer need or bring it to the meeting to have members bid on. Please leave your Greasy at home. Grant and Butch will serve as our auctioneers. September Membership Meeting is the official opening of nomination for the 2023 board. Grant was asked to get our job profiles in this month's newsletter. All nominees must accept for the nomination to be official. You may nominate yourself. Write-in candidates are not accepted on chapter ballots, contact a board member, or attend a meeting, to get your name on the ballot. Multiple nominations can be made for any board office and the vote determines the winner. Ellen noted that the October Board Meeting is when the ballot is finalized. Our meeting site, although adequate for our needs at this point, may not be a long-term option and other venues need to continue to be investigated. Consider a centralized site, hours of operation, **hours** we can **use** the room, size of venue offered, adequate parking, day and time of week to accommodate our group and what cost are attributed if any to the location use. Presently we do not pay to use the room if members meet the 20% gratuity. Dave Walter an Area Representative noted he is in a different club that meets at the Sizzler by Harbor and Chapman that would meet our current needs. The board in the past has planned a visited to a site prior to making any move. Ellen noted she will check with our current location to verify we are not impacted by their 2023 remodel or changes in individual billing with an individual's 20% gratuity. On a final note, we always attempt to entertain our members with events and shows that we also would enjoy. The Lion's Museum tour has yet to develop. Feedback for our last zone show was discussed pertaining to a joint show within the zone if it would draw more cars from Ut, AZ, NV and CA stay tuned for options for the 2023 show. Grant is seeking feedback on the zone show from members attending this year before the board could entertain any further discussion.

Membership Meeting August 13, 2022 scribed by Domenic Santucci

Grant Warner our club Vice President opened today's meeting with the traditional flag salute. Next up Grant called on Ellen D. Santucci our treasurer to give her meeting reports. Ellen passed out 2 cards for the attendees to sign with their well wishes. Ellen next noted we have adequate funds to operate club business and our upcoming 50th Anniversary Picnic on September 24, 2022. Ellen proceeded next to pass around a volunteer list for our Picnic. Ellen suggested we have club business cards for members in attendance. Ellen reminded everyone we have agreed to a 20% gratuity for our servers, it is the only requirement for us of the room. Ellen noted if it is not given from an attendee buying a meal it will be deducted from the clubs share of the 50/50 drawing revenue. A list of members that need to be added to the clubs memorial Jacket was passed around the room to see if any added names were up for consideration. Keith Berg volunteered to have names added to the club jacket. Grant next called for approval of a motion on last month's newsletters minutes. Scott Graham made the motion which was seconded by Dave Walters. The motion passed. Our trip to see the Kent Browning Collection was enjoyed by everyone who attended. Kent's car collection is impressive. The added collection left by its previous owner to the City of Cerritos and Kent Browning as the steward is equally as impressive. Radio's telephones, furniture etc. and memorabilia is amazing. Kent has a 1953 green 88 for sale from his collection. There is a video on "YouTube" of the Kent Browning Collection if you are interested. Thank you to Ernie Carras. Scott has club merchandise for sale at the break including the new 50 Year Anniversary shirt. Art Whitney and John Weaver sold 50/50 tickets. Butch Williams won the 50/50. We need raffle donations for the picnic with Randy Hare has two more and Dave brought 4 gift cards to the meeting. We recommend our members use their flyer when seeking a donation. New business, Grant noted that Rocket Science Racing will be at Famoso Raceway in Bakersfield on August 20-21. The last Wheels and Windmills Show will be held August 27 it will include the Mendenhall Oil Can Museum BBQ Friday the 26th in Buellton. It is imperative that you get your registration in ASAP to help the board with the planning. Additional meals can be obtained for \$15.00ea by filling out just that portion of the registration form. Meal tickets will be handed out at the registration table. No meals will be sold on the day of the show. Beverages will be available throughout the day while they last. Bring money for the Raffle followed by awards. Look for the ballot box at the registration table. September is the start of open nominations for board officers for 2023. Nominee must approve their nomination. You may nominate yourself. Nomination close at the October Board Meeting. We do not accept write ins on the ballot. October to December events were discussed (Rubel Castle tour, Peter Mullen Museum, Lions Automobilia tour with the MG Club, the Day Family collection, and Saleen Mustang tour. One event note raised by Area Representative Keith Berg was that due to weather related rain fall the Bonneville Salt Flats races were cancelled. Look for show flyer updates once an event is posted. Our annual holiday banquet has yet to be organized. Final parts call, drawing, etc. led to meeting adjournment. Members present, were invited to stay for the board meeting.

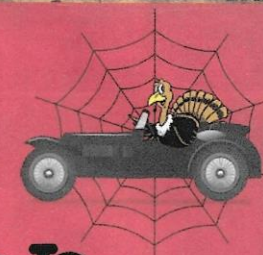

Remember the White Elephant Sale is September 10th, 2022. Dust off that stuff and bring it to sell.
