December- Membership Meeting scribed by Domenic Santucci Secretary

Grant Warner Vice President opened today's meeting with a greeting to all and a Holiday Greeting. His meeting agenda was distributed for attendees to follow. A Guest announcement was made, and Trent Plungas and family were in attendance. No approval of prior meeting minutes will be approved until our January 14, 2023, Meeting. A call to circulate want and sale free ads in our newsletter made the rounds at the tables. A big thank you to all today and at last meeting for your donations to the Orangewood Foundation and children's home. The club Treasurer, Ellen Santucci, will deliver items on hand today as she did from our last meeting. Also noted that Orangewood Foundation has a link to the Amazon Wish List on what turn out adults at 18 can benefit. Ellen asked that if we know of a member needing some cheer due to illness or bereavement to let her know and she then circulated cards to the group. Dave Walters Area Representative that set this meeting location for the club is out with Covid. Jim Chatsworth and Milton Yee supported the last Long Beach Swap meet membership drive and Milton and Joe Tannerbauer accepted two new membership applications. I noted, a welcome letter and membership card, have been sent out to these new members. Jim and Milton will do the next event and Joe has accepted the club canopy with leg weights and back drop he will use to do the January and February scheduled swap meet events. A motion by Karon and seconded by Grant to approve paying for the next six (6) events was made and passed by attendees. Cal Matranga a 2023 Area Representative with the assist of John Weaver made their way around the room to sell raffle tickets. Ellen was asked for her monthly financial report. First off Ellen noted that I have the 50th Anniversary Tokens for members yet to receive them here today. We encourage you to make meetings or events to help us with this distribution effort. Ellen noted that the chapter has a large investment upcoming to book and promote the Pacific Southwest Zone Show. Currently the chapter has adequate funds to carry on and she will be sending out **renewal notices soon. You are urged to return them promptly in the included self-addressed self-stamped envelopes to her.** Grant then proceeded to announce the new board members for 2023. President Randy Hare, Vice President Grant Warner, Newsletter Editor Karon Pierce-Warner, Treasurer Ellen Santucci, Secretary Domenic Santucci, Area Representatives Art Whitney, Butch (Harold) Williams, Dave Walters, Cal Matranga Keith Berg, and Richard Santillan. In addition to the board noting our Merchandise Manager Scott Graham and an Appointee position as Club Liaison and Photographer support, Race Hare. In his absence due to his work schedule Karon made the rounds snapping photos of the attendees. Grant called on Ellen to announce this year's free banquet meal recipient and with 4 new members to his credit it was me. I will have this banquet meal paid for by the club. Restating the rules first set by Bernie Buller then Treasurer that this is the process to which determines the free meal. (COUNTS-Dave Walters 1, Grant 1, Joe 3, Randy 1 and I had 4). Grant noted our presence to the public and distributing application flyers by members as they spot an Oldsmobile is how to get your free holiday meal. From 2019 records, Ellen was asked to check, if past year recipients did not get this honor. Grant moved to a special presentation of a Lifetime Achievement Award. Some previous recipients include Al Allande, Mike Izzo, Jeff Draugelis, Butch Williams, Tom Rowe (Great Grandson of Ransom Eli Oldsmobile), Grant Warner, Bernie Buller, Keith Berg and the late chapter founding member Woody Hyde. Today's lifetime achievement and membership in the chapter voted on by your board of directors, and given a round of applause, is Joe Tannerbauer for his service to the club. Event topics raised at the meeting were pre-arranged drive to members houses to wish them well, collector car museums, a joint event with other clubs and a get together at the Warner's in March 2023. April has yet to be allocated an event and, we have our own sponsored with the Northern CA. Chapter, Zone Show in Arrowhead, CA. Sixteen of the discounted site 20 rooms have been booked and Grant will see on expanding that available price number. Get your reservations and register early as expected zone members from Arizona and others are interested in attending. Organization and planning and volunteer assignments will help with the event. Ellen then raised the fact we need to set our picnic date as booking for Yorba Regional Park has early bookings for September and October. I asked Grant to check his race schedule with his invite for any to attend that event, so a date could be scheduled. At meeting close, the raffle was won by Julius Bognar, and he is slated to sell raffle tickets at the January fourteenth (14) meeting 2023 at the Streamliners Lounge in Orange. There would be no board meeting. Merry Christmas and Happy New Year.

October 8th, 2022, Membership Meeting scribed by Secretary Domenic Santucci

Randy Hare President Elect for 2023 opened today's meeting with a traditional flag salute. New members in attendance were called on and Jeff Frank spoke up. Randy next called on Ellen-Treasurer for her financial report. Ellen stated that pending financial receipts are not all in from our 50th Anniversary Show preventing her from our final show financials. Clip boards for want & sale ads went out to attendees. We had no request for get well cards. Randy called for approval of the September Membership and Board Minutes. Dave Walters made a motion and Art Whitney seconded the motion to approve the minutes. Two members, Bernie Buller and Butch Williams, noted that their mailed copies have yet to be received so they cannot cast a vote. They spoke to e-mail and mailed newsletters carry the same value to members with or without computers. This motion vote was called, and it passed. The next Randy suggested we consider adding a media representative in the chapter. A person to take some of the workload work from newsletter editor. This person would handle social and media and online updates. More discussion was had, and it was tabled until the Board Meeting. Next up was coverage of Long Beach Swap Meet. Joe Tannerbauer worked the September swap meet he noted the attendance was low. Joe passed the swap materials to Domenic and Butch. Joe showed interest in doing the November event. A call for any additional board nominations was made. Cal Matranga and Richard Santillan they self-nominated. Joe T withdrew his nomination. It was determined that no ballot mailer will be necessary. No position is being contested. Discussion on the need for a ballot was tabled to the board meeting. Memorial show review. We had 71 cars on the show field. We had 11 prepaid no-shows. A big thank you to all your efforts for our show's success. Ellen noted that total drawing, raffle and donations at the show netted funds to be in her report once all receipts are submitted. Special tokens celebrating our 50th were handed out at the show and during this meeting to members yet to get them. Ellen also noted our new member signups were higher than all this year's LB Swap Meet. It is felt that the LB Swap Meet still gives us a presence in the community making it necessary expense. Scott is here with club merchandise. A question was raised as to what is said on the flier regarding "only Oldsmobile's" or Oldsmobile powered cars. Which was contradictory when we accepted non-Oldsmobile. The result was a discussion on inviting other clubs like the other GM types or a BOP type show or splitting the show up with different type vehicles such as foreign and domestics. The Canyon Lake Car Show hosted by Joe Landin a chapter member and his fellow Canyon Lake residents was a huge success. Randy noted the show was top notch. Our next is the Lyon's Collection on November 5th we are looking for a good showing, check your fliers. A raffle break occurred with volunteer Dave selling tickets. Keith Berg was the winner he will sell tickets next month. Check those minutes for officers and updates to hold seats in 2023. We are looking to book a Holiday Banquet and need members to help seek out a venue. Dave will check on a site he knows of, and we need other input. I noted past location Miguel's in Corona was noted as closed by Karon Pierce-Warner. The earlier the better in December the better. Call your board with investigated sites. Before meeting ended, we reminded members of the need for donations for the following agencies- 'Toys for Tots' gifts, Orange Wood supporting teenagers turning eighteen (18) and younger kids. If you have any other suggestions let us know.

October 2022 Board meeting scribed by Domenic Santucci Secretary.

Randy Hare, Area Representative, led today's meeting. After distributing the agenda page our Treasurer Ellen D. Santucci was called on and noted that we have adequate funds to operate. Ellen noted as final show receipts are in, she can finish her show report. The agenda next dealt with a need to order more 50th anniversary shirt inventory and other merchandise needs. I spoke to reducing existing merchandise/club assets. Randy suggested an inventory from Merchandise Manager Scott Graham. My input was to sell off at cost items that are not productive first to reduce old stock prior to adding more inventory. I noted it was done before to meet that goal of inventory reduction. Discussion on both options is tabled to next meeting. Next item up was show feedback. More ballot counter needs, No A & B class distinction wanted on a ballot and the Class Quantities relates to getting earlier cars registered. Overall, trophies were a hit thank you to contributors noted. Getting the word out by membership to known Oldsmobile owners can help raising the number of cars on display. Also noted as an idea was to open the show to other cars such as a Buick, Oldsmobile and Pontiac style event. Brief discussion as to exceeding the same venue restrictions, as well as volunteers that are needed to handle a large show from other clubs attending. All around the meeting those in attendance were happy with the food provided by the vendor. Getting volunteers fed are a priority to get on with ballot and award presentations. Our next item was securing a site to hold our holiday banquet. Area Representative Dave Walters will give feedback on a location he suggested. It was determined that no ballot for Board Officers will go out with the renewal notices this year. All positions were filled with Randy Hare as President, Grant Warner as Vice President, Karon Pierce-Warner as Newsletter Editor, Ellen D. Santucci as Treasurer, Domenic Santucci as Secretary, Area Representatives are Art Whitney, Keith Berg, Dave Walters, Butch (Harold) Williams, Scott Graham, Richard Santillan and Race Hare. Randy spoke to the board on a need to vote on a motion he is making. Randy put forth a motion for Race Hare, having Races approval will move to the board as a public relation contact, not as an Area Representative. Randy would be appointed into the position of a Public Relation and photographer support person. Joe Tannerbauer and Art Whitney put forth a seconded and the motion that passed. Discussion was how Race Hare could be a photographer and public relations person for the chapter will require developing a job profile for his position. More discussion will be heard at the next meeting on any financial needs related to this appointment adding a board position. Ellen noted finance breakdown for the board officers as National club dues paid for herself, Randy, Grant, Karon, Domenic and they are still to cover local dues. Area Representatives Butch, Dave, Art, Keith, Scott, Richard will have local dues paid but not national dues. A question as to pay online dues was seen as not practical at this time. Randy spoke on a final note and that was to get the word out for posting as a club event to get members out. We also have a need for members to call or invite other Oldsmobile owners to our events. By doing so we can attempt to increase membership and contributors to the club. Randy spoke next to our 50th Anniversary Token given out first at our show. A photo in the newsletter to get members to meetings and events to receive them will improve distribution (Members only offering). We do have members out of state that will require a mailer. The club treasurer has possession of the tokens and will distribute them once membership is verified. Your attendance at an event or meeting is encouraged.
