Rubel Castle
844 N. Live Oak
Glendora, CA

Rubel Castle is a monumental folk architecture site nestled in the foothills of Glendora. It was entirely built by hand by Michael Rubel and his "pharmhands" over several decades. Its stone masonry was handcrafted of river rock, recycled materials and an assemblage of the relics and artifacts of Glendora's early agricultural and industrial eras. Michael's innovative use of both natural and cultural materials makes Rubel Castle an exceptionally important masterwork within the context of folk art environments in California. It also serves as a rare resource and physical reminder of the citrus industry, which played a significant role in the development of the area in the late-nineteenth and early-twentieth centuries.

Built over 26 years, near Route 66
 Michael Rubel was only 18 when he bought a packing house near Route 66 in Glendora, California to build his childhood dream of a real castle. Every year *people from all over the world visit Rubel Castle* and learn about it's vast history, famous visitors and enjoy all parts of the property, like the citrus packing house, **Tin Palace Museum, Bottle House, Santa Fe caboose, clock tower, dungeon and more!**

January 2023 Membership Meeting Minutes-Oldsmobile Club of Southern Ca. Scribed by Newsletter Secretary Domenic Santucci.

Following his distribution of our meeting agenda, President Randy Hare, opened the meeting with our traditional flag salute. Guest announcement was referred to Grant Warner and he introduced a member from past years. Next up Randy asked Ellen D. Santucci for her treasury report. Ellen remarked that renewals are coming in but have slowed down. Karon Pierce-Warner our newsletter editor reminded those present that January newsletters will be last issues who have not sent in their membership for 2023. Ellen passed around a card in remembrance for the family of Peter Van Der Kraan. Also, a clip board made the rounds for want or sale ad list for Karon. She also noted we have adequate funds to operate. Next up she noted the amount which has been received for the zone. Karon reported on the room reservations and the show registration received so far. We have added an additional block for rooms and will attempt to add another if needed. But there will be no guarantee we will get them.

Randy thanked the membership for the efforts to support the Orangewood Organization for transitioning foster children who are aging out of the system which happens at 18. They keep an Amazon Wish List online for those of us who want to donate throughout the year. Break time and raffle ticket sales thank you to Race, Randy and John. Donna and Steve Groves were today's winner and are on call for next months' raffle ticket sales. We will also ask our December winner if present to assist. After the break Randy opened with the announcement of the addition of a new addition to our Newsletter the "Member Spotlight. Ellen and I were surprised to hear Ellen and I are to be the first to be written about. Randy wants members to get to know each other not only by their cars. February meeting we will have a guest speaker Hans Hermann will talk to us about his Series one Shelby Oldsmobile and the our February trip to the Ruble Castle. Our March 11th meeting will be held at the Warner Ranch. Karon and Grant will host us for a day of vehicle inspection (we will put as many cars on the lift as we can in a day and give them a once over), along with lots of bench racing and of course food. We are looking for an April event so bring your ideas. It will help if you can do a bit of research to go along with your idea.

Race Hare has set up for club members an Instagram page for our club. You can find it at [@Oldsmobile_Club_of_SoCal](https://www.instagram.com/Oldsmobile_Club_of_SoCal) (Yes add the underline dashes they are part of the address). If you take pictures that you would like to have added to the page, you can send them to Race at Oldsclubofsocal@gmail.com.

Parts call list was passed along. Final note Joe Tannerbauer was scheduled to work the Long Beach Swap meet and will do it again per Milton Yee in February and Milton noted he and Jim Chatsworth will do March. Look for all your updates in our newsletter and Instagram accounts we would like to see you at our events. If you need a ride to our meetings or events, please call a board member we would like to help you find a rideshare partner. The meeting was adjourned.

Board Meeting Minutes Scribed by Domenic Santucci.

After distributing his agenda Randy Hare our President opened our discussion. First up, was an inquiry, to needing additional items to support our chapter identity at the May 19-20 Zone Show. A few of the items were "lanyards", dash plaques, stencils or logo pens to be inserted in packets. The discussion was tabled to our future meeting agendas. Randy noted that Race Hare has set up a club Instagram account for media updates. Randy would like you to send him photo's that he can post on the club's social media sites. Next month's guest speaker will be Hans Hermann he will talk about his Series One Oldsmobile Powered Mustang and our Rubel Castle Tour. The Holiday Banquet at the Fullerton Sizzlers Restaurant was a chance for old and new friends to get acquainted. Thank you for your support by donations for The Orangewood Foundation. Randy spoke about our March 11th event at the Warner's home. It will be the 2nd Kick the Tires Gathering. So, bring you Oldsmobile's hang out for the day, and we will give them a once over. Before you drive them up the mountain to The Lake Arrowhead Resort for Zone Show 2023. Randy would like our members to get to know each other. He going to feature members in our newsletter each month. First up Domenic and Ellen. Randy has created a text thread for the board members so he can get answers quickly to handle club business. Next item up was Grant and Karon to discuss the zone show. Karon is keeping registration records for entries and financials. Randy is encouraging our members to reach out to those who are not driving much anymore to offer carpooling to our meetings or events. Next up what do you need for Zone Show judging. Spirit items a fire extinguisher etc. Those in attendance that have yet to receive their club 50th Anniversary Tokens will have an opportunity to get them. Randy next raised a question can or club handle major money issue. How have we planned to protect our funds in case of a lawsuit or fraud etc. He shared an experience he had from another club. The board will continue to be prudent and to make sure we have the proper insurance in place for all events. Our shows are a success when members participate and are involved in their club. He also raised the question of raising the dues in 2024 to \$20.00. This issue was tabled until we can poll the membership. Also, an increase in fees to cover expenses for our annual picnic were discussed but still will require discussion at future meetings. Finally, it we discussed the possibility of inviting non-Olds members to attend out events etc. It seems it is important in growing our club membership.

A note from your President (February)

Hello Oldsmobile Enthusiasts,

I hope your New Year has been outstanding so far.

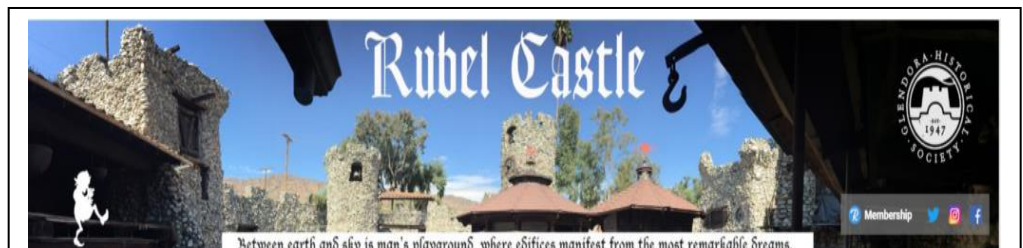

Beginning this month, we will be adding a new section in our monthly Newsletter. Named "Member's Spotlight". Each month we will take nominations from members in an effort to get to know more about each other inside and outside the club. If you are nominated, we ask that you give us as much information as you feel comfortable sharing with your Oldsmobile brothers and sisters. Kids, work experience, travel, hometown, high school, college, how long in the club, and board positions held in the club, professional accomplishments, and of course your Oldsmobile story. To name some topics you could entertain. So please feel free to send in a nomination or if you are at a meeting you can nominate someone there.

One last thing before we get to our 1st "Member's Spotlight". Our next Club Activity will be on February 25th when we will be touring Ruble Castle in Glendora. Afterwards we will take a short trip over to Legends 50's diner for lunch. If you haven't been to either you are in for a treat. Hans Hermann a Docent from Ruble Castle will be attending our February 11th meeting to give us information on the tour. He will also be speaking on his (Which has the Olds Aurora 403 engine). I hope you can attend both functions. It

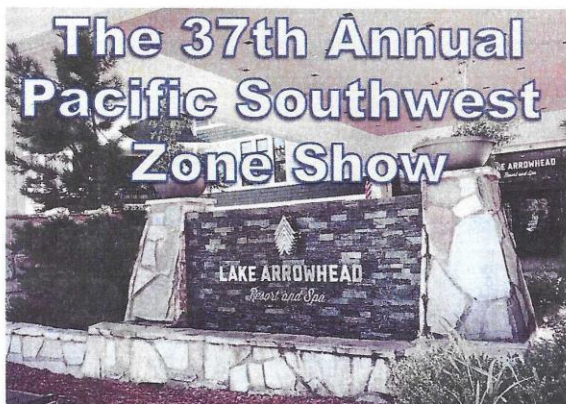

looks to be an eventful February.

Don't be a stranger!

Randy

**Mark your calendars our Memorial Show and Picnic
will be October 21, 2023
At Yorba Regional Park**

Mark Your Calendars:

Our member Kim Tucker and his wife have offered to host a Gathering for us. They live near The Griffith Park Observatory. They have selected June 3rd, 2023. We will have a flyer with all the important details very soon. We love it when our members open up their homes and invite us in. So, mark your Calendars now. We want to make sure we have a great turn out. The day will start with Brunch.

Thank you, Kim, for planning this for us.

Somehow, I missed posting the October Board Minutes in the November Newsletter. So here is a bit of housekeeping. We need to approve them at the February meeting.

October 2022 Board meeting scribed by Domenic Santucci Secretary.

Randy Hare, Area Representative, led today's meeting. After distributing the agenda page our Treasurer Ellen D. Santucci was called on and noted that we have adequate funds to operate. Ellen noted as final show receipts are in, she can finish her show report. The agenda next dealt with a need to order more 50th anniversary shirt inventory and other merchandise needs. I spoke to reducing existing merchandise/club assets. Randy suggested an inventory from Merchandise Manager Scott Graham. My input was to sell off at cost items that are not productive first to reduce old stock prior to adding more inventory. I noted it was done before to meet that goal of inventory reduction. Discussion on both options is tabled to next meeting. Next item up was show feedback. More ballot counter needs, No A & B class distinction wanted on a ballot and the Class Quantities relates to getting earlier cars registered. Overall, trophies were a hit thank you to contributors noted. Getting the word out by membership to known Oldsmobile owners can help raising the number of cars on display. Also noted as an idea was to open the show to other cars such as a Buick, Oldsmobile and Pontiac style event. Brief discussion as to exceeding the same venue restrictions, as well as volunteers that are needed to handle a large show from other clubs attending. All around the meeting those in attendance were happy with the food provided by the vendor. Getting volunteers fed are a priority to get on with ballot and award presentations. Our next item was securing a site to hold our holiday banquet. Area Representative Dave Walters will give feedback on a location he suggested. It was determined that no ballot for Board Officers will go out with the renewal notices this year. All positions were filled with Randy Hare as President, Grant Warner as Vice President, Karon Pierce-Warner as Newsletter Editor, Ellen D. Santucci as Treasurer, Domenic Santucci as Secretary, Area Representatives are Art Whitney, Keith Berg, Dave Walters, Butch (Harold) Williams, Scott Graham, Richard Santillan and Race Hare. Randy spoke to the board on a need to vote on a motion he is making. Randy put forth a motion for Race Hare, having Races approval will move to the board as a public relation contact, not as an Area Representative. Randy would be appointed into the position of a Public Relation and photographer support person. Joe Tannerbauer and Art Whitney put forth a seconded and the motion that passed. Discussion was how Race Hare could be a photographer and public relations person for the chapter will require developing a job profile for his position. More discussion will be heard at the next meeting on any financial needs related to this appointment adding a board position. Ellen noted finance breakdown for the board officers as National club dues paid for herself, Randy, Grant, Karon, Domenic and they are still to cover local dues. Area Representatives Butch, Dave, Art, Keith, Scott, Richard will have local dues paid but not national dues. A question as to pay online dues was seen as not practical at this time. Randy spoke on a final note and that was to get the word out for posting as a club event to get members out. We also have a need for members to call or invite other Oldsmobile owners to our events. By doing so we can attempt to increase membership and contributors to the club. Randy spoke next to our 50th Anniversary Token given out first at our show. A photo in the newsletter to get members to meetings and events to receive them will improve distribution (Members only offering). We do have members out of state that will require a mailer. The club treasurer has possession of the tokens and will distribute them once membership is verified. Your attendance at an event or meeting is encouraged.

MEMBER'S SPOTLIGHT FEBRUARY 2023

The nomination for our 1st Member's Spotlight is not only one but two of our members... Two people which everyone in the group knows, loves, and appreciates.

Domenic and Ellen Santucci.

Ellen and Domenic have been members since the early 1980s and their Chapter Number is 0138. The husband and wife have always been very active in the club. Presently Domenic is our Club Secretary and Ellen is our Club Treasurer. Domenic has served as an Area Rep many years and has served as our Chapter President six different times. He also served on the board of the Oldsmobile Club Of America (OCA) as the Pacific Southwest Zone Director.

Domenic, who retired in 1991 as a Supervisor with AT&T now works occasionally with Selman Chevrolet doing dealer trades and customer vehicle deliveries. He also enjoys and sells a large Oldsmobile diecast inventory at Swap Meets. Ellen recently retired after 40 years as a Preschool Teacher and is now working part time at a different preschool.

Domenic's first opportunity to drive an Oldsmobile was when he took his California Driving Test in his Dad's 1950 88 Sedan. Domenic's first car was a 1937 Plymouth Sedan with 3 on the floor. He next owned a 1957 Ford Fairlane 500 Hardtop which is a very significant car because he and Ellen drove the Ford to Big Bear on their Honeymoon. Domenic and Ellen also owned a 1966 Dodge Dart that was gifted to them by Ellen's parents. They have also owned two Ford trucks, a 1970 and a 1973 F350 which they still own.

Domenic remembers beating up on some vintage Fords with his Dad's Oldsmobile Hydro thus helping cement his love for our favorite brand. Ellen and Domenic's first Oldsmobile was a 1973 Cutlass Colonnade Coupe. That was followed by a 1982 Olds 98 and then 1990 Cutlass International Sedan and a 1999 Aurora. Needless to say that was just the beginning of their trip down Oldsmobile lane. In between the purchase of all these Oldsmobiles they began their collection of vintage Oldsmobiles. They purchased two 1970 3,547 count production Cutlass Rally 350s, a hardtop and an F85 coupe.

It is no doubt the love Ellen and Domenic have for our favorite brand the Oldsmobile. It's also a wonderful situation when you and your significant other can share this love together.

Thanks to Domenic and Ellen for their continued hard work and support of our club. Because of members like Ellen and Domenic it's not surprising that our club is still going strong even though Oldsmobile has not been in production for almost 20 years.

DRIVE YOUR OLDSMOBILE'S. WE WILL SPEND THE DAY GIVING OUR **OLDSMOBILE'S** THE ONCE OVER. WE DID THIS A FEW YEARS AGO AND IT WAS A BIG SUCCESS. WE ENJOYED EACH OTHER'S COMPANY AND FIXED A FEW THINGS AND FOUND A FEW PROBLEMS. WE WILL HAVE OUR MONTHLY MEETING TOO. THIS WILL BE A GREAT TIME TO GET YOUR CAR OUT FOR A DRIVE BEFORE WE TRAVEL TO LAKE ARROWHEAD FOR THE ZONE 2023 SHOW.

Send me an email if you plan to join us. So, I can make sure we have enough food and drink.
socialoldslady@gmail.com

We will have Coffee and a Continental Breakfast. Later we will fire up the BBQ for lunch. If we run into dinnertime, we can pitch in and order a few pizzas. When we did this last time, we put several cars on the lift. While others got the once over by fellow members who know your car. They can answer questions about judging and show preparation. We guarantee there will be lots of Bench Racing.

Grant and I Look forward to having you all here!

Please note this gathering will be the site of our **General Membership Meeting for March**. They will not be a meeting in Orange at the Steamer Lounge.

We will return to the Steamer Lounge in April.

1961 Oldsmobile Starfire Convertible.

The car is a great running car. It has a 394 – 4bl carb and automatic transmission. The car has been through with the following done.

Complete brake job. Includes rebuilt power booster, new wheel cylinders, master cylinder, all flex lines and shoes.

New radiator belts and hoses with antifreeze.

New heater core, windshield, windshield wiper motor and switch, wiper blades, neutral start switch, rebuilt 4bl Rochester carb., turn signal switch, electronic pickup in the distributor and coil. Trunk and door seals and new tires and two window motors and the transmission was serviced. The car has a completely new interior from carpets, dash, door panels,

seats and convertible top. The top has new hydraulic cylinders, lines and a new pump motor.

The car has received a new paint job. Where needed the car has been chromed.

I'm sure I have forgotten something, but you can see the amount of work that was put into the car \$49,000.00 for any info
