PRESIDENT'S LETTER SEPTEMBER 2023

Greeting Oldsmobilers,

Can you believe it's already September? I imagine your Grandkids are back at school by now and life has returned to some kind of normalcy. Being a retired Teacher, this was always a bittersweet time for me. I loved going back to school and seeing my students but the time I had been able to spend with my own children during the Summer was depleted 10-fold. Being a High School Basketball Coach I never really had Summers off but at least I didn't have a whole day of teaching and then multiple hours of coaching afterwards.

We have some very cool things coming up in the next four months. Our September outing will be on the 30th at 10am with a trip to Irvine to visit the Segerstrom Shelby Event Center. The Segerstrom has nearly 70 Shelbys on display. Of course, our October event will be our own Memorial Car Show and Picnic at the beautiful Yorba Regional Park. If you have yet to register your car(s) please do so ASAP. We are still in dire need of prizes for our raffle. When you have time, please visit businesses in your community and ask for their support. Take along a registration form or other info about our club in case they ask.

November 1st will see us back at the NHRA Museum for their Twilight Cruise from 4-7 pm. My son Race and I attend this often and it's always worth the trip. Plus, the \$5 car entry fee allows you free access to the Museum.

In December our Holiday Banquet will be held at Lion's Automobilia Museum in Rick's Diner which is located inside the Museum. You will have access to 100,000 square feet of cars and memorabilia. (Please see the flier in this month's newsletter). Brew Hawg BBQ & Root Beer Co will be catering for our event.

The Banquet fee of \$30 per person will cover the entire event. Because of our ongoing relationship with Lion's Museum, they have worked with us and agreed to charge \$25 per person which includes entrance into the museum and rental of Rick's Diner. This fee is usually \$1200 for a couple hours. They gave us a deal and gave us 4 hrs. We have the venue from 2-6pm. The catering fee is 20-\$25 per plate. A total cost of \$50 per person. Your Board has voted to cover the cost to rent the Museum. This is going to be a fantastic afternoon. You will get to explore every corner, have a great meal, and spend the afternoon- evening celebrating the season with your friends and families. The cost per person will be \$30.00. **Mark your calendars now December 9th is the date 2:00-6:00pm is the time.**

Please don't forget our September Member's Meeting is the 12th and we will be opening up nominations for Board positions for 2024. Our Bi-annual White Elephant Auction will take place at the end of our September meeting so start digging out any items you want to get rid of and bring them to the Auction. Board nominations will close at the end of the October meeting. And as always
Don't be a stranger,
Randy

August 12, 2023, Board Meeting socialoldsmobile.com scribed by Secretary Domenic Santucci

President Randy Hare distributed agenda minutes and then opened our meeting. First getting guest speaker and that was left to individuals on the board and members of the club to help with suggestions. We need a short fifteen-minute presentation as our room time is limited. Next 2024 Board nomination will open at the September Membership Meeting. You may nominate yourself if you wish to serve. All board positions are available to candidates' seeking re-election and active members of the club wanting to run. Our member Patrick Chevalier said he could help with the development of our updated club website. It was suggested we keep our current domain name and arrange for the administrators to be changed. It was motioned and approved to Send Don Gibson \$44.00. To Cover 2023/2024 the cost for our dominant name. Vice President Grant Warner made a motion that we keep our current domain name, and our newsletter editor Karon Pierce-Warner seconded the motion. A vote to accept the motion was put to the board for a vote and it passed. On the next agenda was our annual memorial Picnic, Randy noted that 50 websites now have information on our show. A repost will occur in the first weeks of September and October. A motion by Karon, seconded by Grant was made to raise the club dues to yearly renewal of \$25.00. The motion came after discussion of the cost for printing and distribution of the 15 mailed newsletters this year. Which is \$633.00. Which means it requires 42 members' dues at 15.00 each to cover the newsletter expenses for 15 members. Treasurer Ellen D. Santucci spoke about the cost of the 50th anniversary event. It was noted that a large show turnout helped with expenses. It was noted by Randy that a donation made by a member that day helped to cover the cost of the show. Randy reminded everyone that in the last few years the trophies for that event have been donated by a member, so we did not incur that cost. It was also noted that the membership dues must offset the cost of operation and rising costs in the public sector. I asked if the motion would leave the associate dues at \$3.00 and that cost will remain the same. I also asked if joining in the current year from September on will still afford new members an extension to December first of the following year. A yes agreement was reached on both questions. We must be good stewards of our clubs' finances. Randy called for a vote on the motion to raise the dues after a lengthy lively discussion on the pros and cons of raising dues followed. Treasurer Ellen D. Santucci pointed to her book of records and that spending to dues increases must be in line. It was also noted that the 50th Anniversary Show Items cost were factored in and a gift to commemorate or 50th year together and highlight the event, example: a banner, tokens, and merchandise. A close vote was taken by the board members in attendance. The motion to increase the dues to \$25.00 passed. Randy next noted that the Holiday Banquet menu at this point is not known and will be based on a \$30.00 or \$35.00 cost. The discussion was tabled until next month on cost. Banquet fees will include museum access and dinner. Time allotted will be from 2-6 p.m. for the meal, meeting and touring within the museum.

August 8, 2023, Membership Meeting socialoldsmobile.com scribed by Secretary Domenic Santucci

President Randy Hare opened the meeting with flag salute. Next up Randy asked for new faces and guests to announce themselves. Patrick Chevalier from Corona and Leland and Linda Silvasy from San Diego stood up. No one attending wished to do the Spotlight Article this month. Treasurer Ellen D. Santucci was next asked to give her report. Currently Chapter funds are adequate for club business. Also noted that last year and this year's expenditures were high because of the 50th Celebrations Memorial Car Show. Next up Newsletter Editor Karon Pierce-Warner made a request all that all the newsletter info get to her by August 14th. Randy next called for a motion to accept the latest newsletter minutes. Area Representative Butch (Harold) Williams made the motion seconded by Vice President Grant Warner the motion passed. Ellen next passed around a clip board for want or sale ads for the newsletter. Randy next asked for a report on Long Beach Swap Meet and I relayed the info from Milton Yee that it was hot, and many vendor spaces were empty. Randy reported on the ongoing efforts to help our member in need. The board had allocated \$200.00 toward the purchase of a new bed. That task was accomplished. Along with tending to other needs in the home. Randy, Grant, and Dave Walters have continued with regular weekly visits. They are taking different days except when more manpower is needed for the task at hand. Their efforts are making a difference. Simply stopping in and sharing lunch and spending a couple of hours is all it takes. Next up a fun day at the Lion's Automobilia Club outing was discussed and that led to considering the site for a Holiday Banquet. An additional room is being renovated and will be completed by our banquet with more vehicles and displays. Randy also spoke to an event he and his son Race promote The So. Cal Variety Cars and Coffee which had over seventy cars with 4 Oldsmobile's. Grant and Karon will be up Famoso racing their car which is in second place in points in their class. Cheer them on in Bakersfield. All are welcome to attend this Rocket Science Event. 50/50 drawing called and our winner from San Diego was Leland Silvasy who now knows he sells tickets at next month's meeting. Under Randy's new business agenda distributed for the meeting our next event is on August 26th at 10:00 a.m. at the NHRA Museum and lunch to follow at the Derby Room. Not only does September open nominations but we will have a semi-annual white elephant sale at the club meeting. Consider running for an office to serve your chapter in 2024. The nominees will be announced after the October Board meeting. On November 1st attend the NHRA Twilight Cruise with a \$5.00 entry fee from 4-7 p.m. Our Holiday Club Banquet will be held December 9th from 2-6 p.m. giving adequate time to see the cars, memorabilia and enjoy a catered meal. Look for upcoming events in your newsletter- for September – December for more information. Now the club is looking for volunteers to staff the membership drive booth in Long Beach contact Pres. Randy Hare. Upcoming Memorial Car show needs Raffle items. Show a copy of the event flyer when out soliciting donations. **GET YOUR REGISTRATION IN NOW TO TREASURER ELLEN D. SANTUCCI.** We need to know how many we will be planning for. Linda Silvasy also pointed out that we should consider the visibility of the location. The final topic today was on next year's zone show. Cities suggested so far are a repeat of Lake Arrowhead, Solvang, Buellton and Santa Paula. Zone shows are patterned after national point shows to make members ready for a national event. Edited by Karon Pirce-Warner
