Well, if you didn't attend the Memorial Picnic and Show you missed seeing 50 of the most perfect vehicles still on the road. We had 442's, Hursts, W30's, Wagons, 50's Cars, Pace Cars, Race Cars, Ram Air Cars, Land Yachts, Restomods, Touring Cars, Rally Cars, Pre-War Cars, Post War Cars, Convertibles, Sport Coupes, T tops, 2 doors, 4 doors, freshly done cars, Unrestored Cars and cars of every color under the Sun! What a DAY it was!

We were treated to some outstanding food by Brew Hawg BBQ and Root Beer Co. Tustin. The Prize Raffle was outstanding with well over \$1000 in prizes. There was a 50/50 where Cal Mantranga won almost \$150 bucks! Also, a special thanks to member Patrick Chevalier who donated 100s of dollars of merchandise from his company to the Prize raffle. And as always, a special Thank You to Sports Facilities Group Inc (Grant Warner) for their donation for the outstanding trophies we give out yearly. A SPECIAL thank you to all our Board Members who without their tireless work we would not have been able to put on such an amazing show.

So...On the 21st I got to show my car, see amazing cars, spend time with amazing people at an amazing venue, had great BBQ and the weather even cooperated! And it only cost me \$30. I feel like I stole something!!!

Congratulations to all our Class winners and especially Bob Grau owner of a 1970 442 W30 and Wesley Fitzgerald owner of a 1970 Rally 350 Who won Best Of Show with their beautiful rides. There were easily 15-20 Oldsmobiles that could have been chosen Best of Show! It was a great turnout of beautiful cars.

Wesley drove his car nearly 300 miles to the show, but it was Bob and Kevin Clingman who traveled close to 400 miles in their 68 Hurst Olds to take top honors when it came to distance traveled to our show.

If you couldn't attend, no need to fret, we still have some real cool stuff coming up the next couple of months you can participate in with or without that beautiful Oldsmobile of yours.

November 1st from 4-7pm we will make our way to the NHRA Twilight Cruise at the NHRA museum in Pomona. It's a \$5 entry fee. You should have already received an email flyer about this event. They have a food vendor on site and its free admission to the museum. There are usually at least 100 classic cars there! There is also adjacent parking if you bring your daily driver. We will all be set up together so bring your chair and join us even if you don't drive the Olds. There is 50/50 and a Prize raffle too. The Prize raffle has some outstanding gifts and the 50/50 is usually \$200-\$400 to the winner.

Many of you know that Grant Races his 69 442 and he and his Olds have had a great season in 2023. Currently Grant sits in the #3 spot of the ANRA (American Nostalgia Racing Association) Hot Rod Class. With just a couple of races left in the season he is only 20pts out of 2nd and 30 pts out of 1st Place. Good luck Grant and "Rocket Science Racing" and we hope you can bring home the 1st Place trophy for the season.

Some of you know that I hold a CARS & COFFEE once a month here in Covina from 8-11am. We offer free donuts and coffee to everyone and there are some great cars and cool people as well as a few of our favorite brand at each show. We have People's Choice awards and a parking lot that is free of Brand X traffic.

Our Holiday Banquet at Lion's Automobilia Museum is quickly approaching! We have already sent out flyers with all the pertinent info. You can find the flyer in the last Newsletter. You will be receiving a registration form via email soon. Please fill this out and get it turned in ASAP. It will truly be an eventful day. One you won't want to miss!

Also, a quick reminder, our monthly meeting for November has been changed to **November 4th (The 1st Saturday) at 9am not 9:30**

As most of you already know we recently lost a long-time member and one of the true patriarchs of our club Bernie Buller. Bernie's second love, his beautiful 1957 Olds was brought to us by Pete Clayton and displayed at our Memorial Picnic and show October 21st. "Pinky" as the 57 was affectionately known by many was displayed to members as well as guests and passersby. I'm sure Bernie was looking down on us with those kind eyes and was overjoyed by all the attention "Pinky" received that day. Bernie was one of our members that attended all of our club outings and meetings and was always prepared to give some advice when asked. He had a wealth of knowledge when it came to everything 1957 Oldsmobile. Bernie did not just collect our favorite brand but many other cars including some British automobiles. I could go on for hours and I only knew him well over the past two years. Some of our members have known him for decades. Bernie will truly be missed by us all!

But I know for sure he is up in heaven driving around a Sunset Glow 1957 Oldsmobile hair blowing in the wind and a big smile on his face! Rest in Peace Bernie you will be Missed... Don't be a Stranger.

Board Meeting Minutes

Membership Meeting 10/14/2023 scribed by Secretary Domenic Santucci

President Randy opened the meeting with the flag salute and agendas. Randy called for a moment of silence to honor Bernie Buller who recently passed away. He was one of our first members. Number 4 in Oldsmobile Club of America. Bernie had been bestowed a "Lifetime Membership" in our club. Randy asked members to share their thoughts and memories. Many spoke of his long history and contributions to our chapter. His friendship and being an ambassador for our club and others. He served as our club historian. He attended OCA Board Meetings regularly. He brought us into the computer age when he built the club's first database and produced our rosters. His favorite 1957 Oldsmobile is "royal glow". Many referred to it as "pink" and he was quick to correct them. He loved Dr. Pepper soda and was always up for a quick stop at an A&W Root Beer even on our 100th OCA Anniversary Trip.

Dave Walters asked if we could display Peter VanDerKraan's cars at the show. I was asked to contact his daughter Wendy; she is selling his 1971 Toronado and a Final 500 Aurora. Both are listed in our newsletter and OCA's.

Next treasurer's report. Ellen noted adequate funds to operate. She passed around the "Want Ad and Sale clipboard". Then condolence cards for Bernie and Pat Kennedy, a founding member of the Nor Cal chapter. Followed by the "Volunteer" Clipboard for our picnic. She has 43 cars registered. Randy expects all members of the board to volunteer. A raffle donation list was handed out. Ellen reminded everyone to throw away the old membership fliers. She suggested that everyone check our web page for the updated registration form designed by Patrick Chevalier. Randy called for approval of the minutes. I motioned and Dave seconded the motion. The motion after no discussion passed.

Board Member Nominations-Grant noted that our current newsletter editor Karon will relinquish that post. Patrick Chevalier volunteered when Randy opened final nominations for the board. He will also work on updating our webpage. Volunteers to fill other positions were called for. As it stands no ballot will be mailed. None of the positions are being contested. **(1) President** Randy Hare, **Vice President** Grant Warner, **Secretary** Domenic Santucci, **Treasurer & Membership Chair** Ellen D. Santucci, **Newsletter Editor** Patrick Chevalier, **(7) Area Representatives** Keith Berg, Cal Matranga, Dave Walters, Butch (Harold) Williams, Art Whitney, Race Hare and Karon Pierce-Warner.

Next Randy called for the next Member "Spotlight" writer Julius Bognar to postpone. New Newsletter Editor Patrick Chevalier will introduce himself. Randy reminded us that the next membership meeting has been moved to **November 4 (at 9am.)** Karon will be asked to send a reminder during the week prior to the meeting of this change. Randy raised the question as to online registration which was tabled to a future meeting. The Holiday Banquet discussion began, meal selection? Should we offer a choice of chicken or beef or both? That decision was tabled until after the picnic. The time will be 2:00 pm-6 pm with dinner at 4:00 pm. Lion's Automobilia Museum is hosting their fundraising cruise event the same day 10:00 am-2pm if you wish you can contribute a new toy at that event. We will have our traditional drive for toys, personal care, and household goods for Orangewood Childrens Home. Ellen noted that the flyer needs to have the cost of the dinner and number of dinners needed. Banquet tickets need to be bought in advance. There will be no last-minute sign ups. So, a deadline needs to be added too. The September event was reviewed -2 Shelby Mustang cars built at different locations carried same vin # a mfg. error? Randy reminded us about our November 1st outing to the NHRA Twilight Cruise. There is a \$5.00 entry.

The 50/50 \$31.00 drawing went to Cal. He gets to sell them at the next meeting. Zone Show May 18-19, 2024, will be held in Pismo Beach "Hilton Garden Inn" reservations at 1-805-773-6020 \$159.00 +tax +resort fee and you can call now. Grant will track the registration, spread sheet, trophy questions and the plans for Friday dinner. He is working on a flyer being put together by both clubs. A conversation on distributing the rest of the 50th anniversary tokens was tabled. *Edited by Karon*

So. Cal. Oldsmobile Board Meeting October 14, 2023, scribed by Domenic Santucci

Randy Confirmed Board Nominations that were presented during the General Membership meeting. Nominations Concluded at the end of the meeting. Treasurer Ellen will not be mailing out a ballot with renewal notices. None of the positions are being contested. Newly elected candidate Patrick Chevalier as club's newsletter editor will take over for Karon in 2024. Patrick will handle webpage updates. The new 2024 membership form is on the website. With the \$25.00 membership dues and associates at \$3.00. Please do not use the old membership form. The club domain name will remain the same. On request Area Representative Race Hare will assist when called upon. Next topic centered around the recent passing of a founding member Bernie Buller. A memory book will be available at the 10/21/2023 Memorial show and picnic.

The Holiday Banquet details. Discussion whether to have plated or buffet. More on this topic at our next meeting. Merchandise question should we sell off older items at a reduced price or offer up items in the raffle? Grant made the motion that passed. Karon will select the sale/ raffle items. Drinks for the show. Patrick said he would buy the soda drinks. Randy will buy water and extra role of table covers. Ellen, bring your receipt to the show for repayment. Ice and coolers will be brought. Grant will bring the club totes etc. and the trophies sponsored by SFG inc. Karon will send out a flyer and reminder to members the week before.

Grant brought up the idea that we have more driving events. Randy will be looking into whether March 2024 would be best for the "Kick the Tires Event" at Warner Ranch. Zone show May 18-19, 2024 hotel and registration info is in the Membership Meeting notes. We should plan a caravan. Prior caravans have stopped at 101 Freeway at Van Nuys Blvd East where there are two eateries across from a senior center. Meeting time 9:00 am for breakfast. The topic was tabled while others looked around. Memorial Show-Grant will supply the ballots for vehicle judging and the cut time to turn them in is 12:00. Ellen next ran through a list of needs for the picnic. Butch suggested a future show with more than one make like the old BOP at a dealership. It was noted that these shows were out there now. The Lyon's Museum will host a cruise and toy drive the day of our banquet. We can donate to that cause at our banquet. Randy talked about the needs of young adults transitioning out of Orangewood Foundation children's home and their needs year-round. You can find a list of the needs on their webpage. The chapter has donated funds in the past. A decision to do so has not been made yet. *Edited by Karon*

MEMBER SPOTLIGHT

Patrick Chevalier

I'm from overseas, from a town called Lille in the northern part of France, all the way up, right by the Belgium border, where cars are small, somehow weird looking and boring. As long as I can remember, American cars have always fascinated me. I'm not sure what happened as a toddler, but the Detroit's Fairy put a good spell on me! The shiny chromes, the rumbling of the engines, the immensity of the beast, it was enough for me to embrace with a big smile the spell!

My French 1955 Oldsmobile Super 88 2 doors Hardtop

Fast forward several years later, I'm now 15 year old, and I was doing my best to hang around the local club: The North American Car Club as it was called. These guys were much older than me, but I was able to get into the inner circle, and even get a ride in their cars once in a while. The club counted several Mustangs, Camaros and Corvettes of course, but also several 50s and 60s cars. And then one day, a friend showed up in his new toy: a 1955 Oldsmobile 98 2 doors hardtop she was gorgeous! So classy, so refine, so gracious and at the same time a bit aggressive with her "Go Ahead" look, and her fish mouth ready to eat the road.

I thought and still do, that this is one of the most beautiful car that has been ever made! I had to have one, no other cars, not a Renault, not a Peugeot, just that one!

Couple years later it happened: A friend knew a guy that was ready to sell his 1955 Super 88 2 doors Hardtop. So during the summer I worked for my Dad, I tried to be the best son ever for several months, then came my 17th birthday, my incredibly nice and sweet father, offered me MY Oldsmobile! Except for the length and few options, she was identical to the 98, same grace, same attitude. She was white and light blue with gray and red interior. Unfortunately I couldn't drive her, as the legal age was 18 years old, so my Dad or my friends drove me around at car shows. I was so proud. But the beauty had terrible sickness... her transmission went bad, real bad. I remove the transmission several times and try to have it fixed several times too, but the indestructible Hydramatic was... destroyed... I'm now 19 years old, full of energy but very frustrated with "ma Belle"... so I had to let her go.

Fast forward some 40 years, I'm now living in Southern California. I'm married to the best wife on earth (I'm super lucky I did find the best one), and I just sold my 427 Shelby Cobra, the garage is empty! The "what to buy next" question lasted less than minute! After all those years, all the past frustration, it was time to drive a 1955 Oldsmobile!

I found her, a Polar white & Bimini Blue, 1955 Oldsmobile 98 two doors hardtop, with matching white & blue interior, equipped with all the factory options but air conditioning. Power steering, brakes, power windows, seat, antenna, Autronic-Eye, Wondebar radio, full leather seats - option usually reserve for the convertible, fiesta hubcaps. She has A/C, but an aftermarket, a big "Cool Pack" unit that match the interior color.

From what I heard, The Oldsmobile was the car of Mrs. Cooper, the wife of the Cooper Oldsmobile dealership in Clinton, SC. My plans are to retrofit the factory A/C and replace the "Cool Pack" with the delicate controller and dash vents. While doing that I also plan a complete restoration of the front end, engine and transmission. This '55 is there to stay, this one, I won't let her go!

I join the club 3 years ago, and I'm very happy I did!
