Thought I would give a head start to those members that are planning to drive or trailer their cars to the OCA Nationals in Albuquerque.

Preparing to drive your car? It's going to be warm make sure your cooling system is ready this includes anything extra that may go bad and you can't pick up at the local parts store. Get together with other members that are going with the same car and everyone carry something in the way of extra parts. Check everything on the car that might fail. Make a list and check the items off, easier to fix now than in the hot desert.

If you are trailering your car give the trailer a good look, tires, lights, brakes make sure that they function when the tow vehicle brakes are applied. Apply a light coat of grease To the tow ball keeps them quiet.

Most likely rain will be encountered and hail. I have found that packing blankets under the car cover will prevent damage by hail but, getting into or under a protective cover is always best.

Plenty of time to get everything in order so the trip and show are fun, isn't that why we do this. See ya in Albuquerque.

Membership Meeting on April 5, 2017 scribed by secretary Domenic D. Santucci.

Meeting opened by Keith Berg, Area Representative at 7:30 p.m. Gary Martin in attendance a new member with a 1950 Club Coupe was applauded for his attendance. Keith called for the approval of last months' newsletter minutes. Butch Williams made a motion seconded by Art Whitney. After a discussion, the minutes were approved. Keith called on Treasurer Ellen D. Santucci to give her monthly report. Since our last two meetings 5 new and 6 renewals were received raising our active rolls to 139. Our V.P. Grant Warner noted that member Ben Skelton as active military was to be deployed overseas. Ellen then spoke to the Chapters Post Office Box change. Ellen requested that all documents in member's hands should be updated before distribution. **Our new** Box is "P.O. Box 1083 Orange, CA 92836". Considering there is quite a bit of paper distributed any mail addressed to the old box is on forward notice for a six-month period. The chapter has adequate funds to carry out club business Ellen will post new funds for the Long Beach Swap Meet road show membership drive. Jim Charlesworth with Trent Plungas will work the next swap meet. A volunteer for May will be announced. Check your newsletter on the July 17th trip to Albuquerque caravan that will start in Barstow. Stopping at Flagstaff on the 1st night and then on to Albuquerque. The return trip on Sunday will leave at 10:00 a.m. Grant and Karon will host a June 10th tech. session at their home to help folks get their cars ready for the Nationals. Butch talked to the May 13, Warbirds, Wings and Wheels event in Paso Robles and had handouts available. Well wishes both ways, from Bernie Buller, as he entered the meeting occurred. On new business Joe T. volunteered to attend the Sacramento, CA. ACCC meeting and report back to the chapter. The October 1, 2017 Veterans Car Show flyer is out the event will allow 600 cars so get your entry in soon and list your club affiliation. October 14, 2017 Club Memorial Car Show flyer is available show volunteer list will get circulated. Ellen encourages you to register early so we can plan the show. You also have a flyer copy to promote prize donations, for the show raffle, some by example are products and services. The November 18, 2017 Driving Museum club event featuring Oldsmobile is promoted and staffed by the museum. The event is an activity you should not miss as they are promoting it for Oldsmobile's. Register early a support item, for a member that put it in play, Ben Skelton is now deployed overseas. This show will highlight our chapter to the non-member public, also owning Oldsmobile's. Parts call wrapped up the meeting with Grant promoting good used take off suspension item for early 70's Cutlass cars he has in his inventory for sale. Check your newsletter for swap meet ads. Domenic is still looking for longer torque trunk rods to fit a 1970-72 Cutlass Convertible. Dave Walters worked the 50/50 tickets up to \$48.00 for the winner Donna Ault our next month's promoter. Also a onetime raffle for two Pomona drag tickets from O'Reilly Auto Parts were offered by Grant and the final recipients were Bernie Buller and Joel Caver. Keith noted prior to closing the meeting that next month

Our Trip to the Nationals 2017 in Albuquerque New Mexico.

Grant and I will be leaving on the Monday the 17th. We plan to be in Barstow at the McDonalds Train Station restaurant ready to hit the road to Flagstaff at 9am. We will be staying at the Twin Arrows Navajo Casino and Resort on the east side of town in Flagstaff. The current online rates run from \$127.00 to \$149.00 plus tax per night. Make your reservations soon. It is prime travel time and rooms will be going up in price. We tried to get a room block but they wanted a 10-room contract so each of you can make your own reservations in Flagstaff. We will meet at the Casino and depart for Albuquerque at 10am. We will use the same return plans on Sunday the 23rd for our trip home.

April 2017 Board Meeting scribed by Domenic D. Santucci Secretary

7:35 Keith Berg opened the meeting tonight. Ellen D. Santucci was called on to give the board her club treasurer report. The treasury took a bump up with a raffle at the last meeting of \$48.00. Ellen has processed the payment and received confirmation for the Long Beach Swap Pass for the next road show space J2 on March 12. Joe T, volunteered for the assignment. Ellen noted she processed both the June Tech. event and the October Club Show. Ellen will still follow up on the needs required for the County of Orange for the Memorial Car Show Picnic. The chapter has ample funds on hand to fund club business. We all need to be out there promoting the chapter at different events and our membership is now 139. Keith will send a flyer to Jim Schultz in the Arizona Chapter a part of our zone to push attendance at our picnic. Keith called on feedback from Scott Graham on the last event the Santa Monica Air Museum. Twelve attended the event that was presumed to take about an hour but was by a well-informed docent a two and a half hour tour. Lunch following the event was at the Spit Fire Grille. Karon Piece-Warner requested photos of the event. Scott got thanks for promoting and Joe for doing the newsletter flyer. Karon will be changing web page and newsletter address to show the new Post Office Box 1083 Orange, California 92856 address. She will notify Journey with Oldsmobile Newsletter editor on updates and the absence of our logo pictured. Update your club cards in hand by lining out the post office box, city and zip code and noting the new address above the old. As treasurers change and Post Office boxes move your phone number on the card remains an important contact to promote our club. Any other literature that has been distributed with the old address will get forwarded from Arcadia to Orange for the next six months. Ellen resolved a glitch at the Arcadia Post Office to insure address change occurred. If you get a call from a card or application you distributed refer the new address or OCA Cost for membership correspondence. Karon addressed the 2018 Zone Show topic on returning to the 2016 Hotel. Karon will inform the Northern Ca. Chapter Larry Ewing on her research that the rates for the hotel are now not practical with the base room at \$289 with room rates graduating upwards to \$329. Etc... A chance to research other cities will be presented as in Clovis, the Gateway Hotel by Yosemite, Paso Robles (earlier researched by Butch Williams) or reaching into the zone to attend in Las Vegas. Joe T will be attending the ACCC Conference with club feedback for Karon to input into the June Newsletter. Scott volunteered to contact the national club for an updated list of California Members not in our chapter which we can correspond with. Grants June tech review on national judging at his house in Perris will be promoted with a sign up for set up needs at the event. Ellen would like her clip board returned used at the last meeting. Check your newsletter for posted club events to attend to promote our club car enjoyment and pull in new members unaware we exist. The August 19th Lyon Museum near John Wayne Airport researched by Dave Walters is still a go. Ellen made a motion for a philanthropy contribution to the PADRE Groups (type 1 diabetes) of \$150.00. Our club support ad will appear in their newsletter that has a copy distribution of six thousand. The motion was seconded by Grant and discussion followed with approval of the motion. Post your calendars for the Driving Museum in November we need a large showing to promote our club. Keith noted he will work on getting event ads in car culture newsletter prior to closing the meeting.
