Launch Pad

So here we are, gearing up for one of the busiest car show seasons for our Oldsmobile's in recent years with the Nationals in July which is close enough for many of us to attend this year, our Memorial Car Show and Picnic in October, and the Driving Museum's Oldsmobile featured car show in November. These Olds specific car shows will be just a part of a busy spring, summer, and fall of planned events as well as many other opportunities for us to show off our Oldsmobile's and get the word out about our club.

You will notice this year that there will be several meeting moderators and contributors to what is normally considered the President's column or message. Since we were not able to elect a club president, your board of directors have pulled together to share these responsibilities which will no doubt create a more diverse newsletter message as well as club meeting experiences so please show your support for those who don't so this on a regular basis.

As I mentioned previously, the Nationals will be close to us, by comparison to most years, being in Albuquerque New Mexico and many of us are planning to bring our cars this year. This means driving across some very hot desert landscape at just about the hottest time of the year so proper and thorough preparation of your car will be most important. Cooling systems, hoses, belts, clutch fans, tune ups, oil changes, trans services should be performed prior to this trip. Maybe most important, tires should be checked and or replaced as this is the type of trip that old tires (5 years old and older) shouldn't be subjected to.

Traveling in numbers is also important when embarking on a road trip like attending the Nationals so plan to buddy up or be a part of the planned caravan heading to the Nationals so that if unforeseen problems arise, you will have help, even if just to get your car off the road and send for professional assistance. Some of our members are quite handy at roadside repairs, even if just temporary to get you to the next town so take advantage of their knowledge, friendship, and willingness to help and be a part of a travelling group rather than going it alone.

In closing, I would like to acknowledge the incredible contributions over the past several decades, that our friend and fellow club member, Bernie Buller has afforded this club with historian work, club data / computer programming for membership roster information, ballot design, mailing label design / printing, past auctioneer for our White Elephant events, and past board member. Bernie recently decided to retire from compiling and updating the club's membership data which is now being re-designed and updated to new formats which will take your board several months to complete, further demonstrating just how much work Bernie has done behind the scenes. Please join me in offering a huge Thank You to Bernie Buller for his many years of tireless support to this Club.

Sincerely,

Grant Warner

February 1, socaloldsmobile.com, Members Meeting, scribed by Secretary

Dominic Santucci.

Grant Warner Chapter Vice President led our meeting with a flag salute and guest introductions. Present and introducing himself and his wife Charlotte, was Mike Pruitt OCA Chief Judge. Mike discussed this year's nationals and encouraged early registration for the show and accommodations. Grant called on Treasurer Ellen D. Santucci. An approval vote on last month's newsletter minutes was called for by Grant approved as corrected. Ellen stated the club can manage all financial activity. Ellen also stated she provides a monthly financial statement to the board. Check your monthly newsletter flyers and printed calendar of events to remain updated on your club activities. The next Nethercutt Collections Tour this month has much interest. Our March "White Elephant" club membership meeting fund raiser to promote our annual Memorial Car Show at Yorba Regional Park on October 14 is coming up. The 4-8, Santa Monica Air Museum event is in the works by Scott Graham and Joe Tannerbauer. The 5-18 Flyer for an event up north at the Paso Robles Warbirds and Auto Collection will be provided by Butch Williams as it arrives. Ben Skelton promoted the November 18 Driving Museum look for future flyer. 4, Oldsmobile's, are requested by the museum to be on display for a month in the month of our event. Joe said he will provide his 1940. The Arizona Club Show March 25 in Scottsdale caravan will assemble at 09:30 and leave at 10:00 a.m. from the Farm House Restaurant in Banning on February 24th. Dave Walters will develop a flyer for the Lyon Air Museum if it develops in August. Get ready for our annual Oldsmobile Memorial Car show and shine on OCTOBER 14, at the same location as 2016, Yorba Regional Park, Anaheim. Yet to be announced is a September event, share any car events you would like us to promote for the club. Scott won tonight's drawing and in the spirit of giving back after winning last month donated the prize back. Al Slaton won the second drawing and (chuckle) graciously accepted the prize. He will do ticket sales next month. March White Elephant Auction; bring your club item donations (not dripping in oil-grease) for the promotion donations. Prior to the meeting close Mike Izzo announced that he was contacted by Paul Cassidy on storage space that is available at the residence of the late Dave Higby. Contact Mike if you need space and can provide some plumbing work to help out his kids defer cost. Grant closed the meeting after Joe noted Grant and Butch will promote the auction. Domenic will lead the meetings in March.

Our Trip to the Nationals 2017 in Albuquerque New Mexico.

Grant and I will be leaving on the Monday the 17th. We plan to be in Barstow at the McDonalds Train Station restaurant ready to hit the road to Flagstaff at 9am. We will be staying at the Twin Arrows Navajo Casino and Resort on the east side of town in Flagstaff. The current online rates run from \$127.00 to \$149.00 plus tax per night. Make your reservations soon. It is prime travel time and rooms will be going up in price. We tried to get a room block but they wanted a 10-room contract so each of you can make your own reservations in Flagstaff. We will meet at the Casino and depart for Albuquerque at 10am. We will use the same return plans on Sunday the 23rd for our trip home.

Treasurers Report by Ellen Santucci. We now have 125 members. With no requests from the members and approval of the board, the 2016 ballots will be destroyed. ***Ben Skelton and Jim Charlesworth will be manning the February 12th Swap Meet. Joe has supplied Ben with the necessary equipment and club applications to man the space. ***Scott reported that 32 members have signed up for the Nethercutt Collection Tour on February 25th. There will be no cost and the tour will last approximately 1 ½ hours. The Nethercutt Museum across the street including the Locomotive and Pullman car will also be open for viewing on your own. No lunch location has been planned. ***The caravan for the Arizona All Olds Car Show will leave the Farm's House Restaurant in Banning at 10a.m. Picnic Flyers will be ready to go to Arizona. ***Scott has information for the Santa Monica Airport Museum Tour on April 8th ready to give to Joe so that he can produce flyer for next Rocket Circle. The group tour will be \$8 per person and last approximately 1 hour and 20 minutes. We will eat at either the Spitfire Grill (down the street) or restaurant in the museum. There will a sign-up for the event at the next meeting. ***Next the board discussed the future prices of club merchandise. Scott will supply the March 8th Board Meeting with a list of the costs of the different club merchandise items. This item was tabled until then. ***Domenic will be the next month's moderator. Grant and Butch will conduct the March Meeting's White Elephant Sale. ***Joe will be attending the April 26 & 27th ACCC Conference in Sacramento. The board allocated \$125.00 to defer costs of the event. Joe will be giving a report of the Conference at the following General Membership Meeting. ***The Board then discussed the consolidation of the club's data base and possible moving of P.O. Box location. Ellen and Karon will be working on the new format that will be used by the club. ***Changing location of our monthly meetings was the next item on the agenda. Keith and Dave will be checking into possibilities. ***Butch will be obtaining a flyer for the Paso Robles Air Museum event on May 13th. He will also look into possible wine tours or other events to attend in the area. ***The club's June 10th Event is the Warner Enterprises Open House and will be located at the Warner residence. This will allow members to get a start on preparing their cars for the trip to the Nationals. A tour of the March Air Force Base Museum may be possible, if time permits. ***Karon then discussed the caravan to the Nationals in Albuquerque, New Mexico. That caravan will be leaving on Monday, July 17th from Barstow at 9a.m. They will be staying at the Twin Arrows Casino in Flagstaff, Ariz. the first night. She suggested using on line sites to get the best price on hotels. Mike Izzo will lead another caravan on Sunday, July 16th. Contact either person if further information is needed about either caravan. Further information about the Nationals itself is in the latest JWO. **Dave will be checking into information about our August Event—Tour of Lyon Air Museum. *** Joe will be looking into a September Event—a possible drive-in movie. ***Our 29th Annual Memorial Car Show & Picnic is going to be on Saturday, October 14th. The flyer is being prepared and will be ready soon. The membership is encouraged to start acquiring raffle prizes. ***Grant then discussed the Automobile Driving Museum "Olds" Show set for November 18th. Tara Hitzig, Director of Driving Museum, said that Oldsmobiles will be the marque for the Museum for the month of November. 2 or 3 of our cars will be on display in the museum in November. The Museum will be taking care of the insurance, awards, parking, DJ, and food trucks for the event. The cost of showing your car in the actual car show will be \$15.00 per car. There will be additional meetings with Driving Museum staff and Southern California Olds Club members to discuss awards and other details for the show. ***The Holiday Banquet will try to be planned for December 9th. Locations will be investigated. ***Karon discussed her conversations with the NorCal Chapter about the 2018 Zone Show. NorCal expressed that they are happy with the Zone Show being at the Sea Crest. Karon will be investigating other options. ***The White Elephant Sale will be a prominent item in next month's newsletter. The newsletter will be published earlier so that enough notice will be given our members to attend **THE SALE**. The Meeting was adjourned at 9:28.
