ROCKET EXHAUST

Well, here it is, once again, time to come up with something to talk about in this little ditty—I think that it's the hardest part of my job, seeing as I've never thought of myself as a "creative" type, or a great writer. Oh well, here goes another shot...

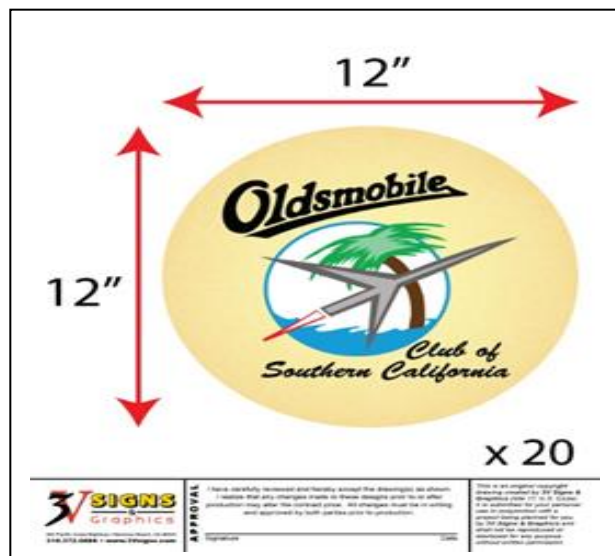

Hey, do you have your stuff ready for this month's "White Elephant Sale"? You know, those old car parts, automotive memorabilia, tools, and yes, even PLANTS, that have been cluttering your garage or maybe your living room? (Has your wife been hassling you about that??) Bring them to the March 2nd Membership Meeting, and let the bidding begin!!

Something new—we will also have ready for sale, some great looking OCSC Palm Tree Logo signs, 12" in diameter, made of a sturdy metal/plastic material, suitable for your "man cave" or "woman cave", for only \$15, ready to hang on a wall with stick-on picture hangers, or drill a small hole(s) for a screw or nail! If you can't make it to the meeting, let us know, and we'll get you one at the next event you're going to, or mail one your way!

Upcoming in March, we're going to the Arizona Olds Club's "All-Oldsmobile Show" in Scottsdale...join us on our caravan going out there! April is the Route 66 Fun Run that we'll be joining in on as a club, and of course, May is our Pacific SW Zone Show in Pismo Beach at the SeaCrest...we'll also be doing our usual caravan from Corky's in Van Nuys, with a stop at the Vandenberg Air Force Base on the way up, to add to the fun!!

Hoping to see YOU at one of our upcoming events!

Joe Tannerbauer
OCSC President

Vandenberg AFB Tour Friday, May 13th ARE YOU GOING TO THE PACIFIC SW ZONE SHOW?

We are working on getting together 10-15 people the minimum needed for a tour of the Vandenberg Air Force Base, on our way up to the Pismo Beach Zone Show. We would leave Corky's in Van Nuys at 9:30am, to arrive at the Base by 1pm for our tour (a couple of hours).

Please contact Mike Van Auken if you are interested!! He will need the following info: NAME, DATE OF BIRTH, DRIVER'S LICENSE NO., U.S. CITIZEN YES/NO, and have government ID!!

February 3, 2016 Membership Meeting scribed by Secretary Domenic D. Santucci

This meeting opened at 7:30 and is led by President Joseph Tannerbauer with the pledge of allegiance to our countries flag. Joe noted the new Eagle atop the flag pole supplied by Sandy Roe. A call for new member or guest request followed. Joe called for our treasury report which was given by Scott Graham stating the treasury remained adequate to conduct club business. Scott closed his report with the club merchandise report and availability. Joe promoted a recent club logo sign which has been added to our inventory at the rate of \$15.00 each. Brisk sales followed around the meeting. The January call to approve and accept the minutes of last months' meeting were made as a motion, by Keith Berg and seconded by Butch Williams, the motion passed. A discussion on the January club event organized by Bill Porters input and Joe Tannerbauer flyer work followed. Joe led a discussion on the merits of the event with a 500 car collection, silent movies and a live organist played to the film. The day capped off with different luncheon options. Remember to post your calendars club events from your newsletter and club web page Karen will be updating as needed.

The Long Beach membership drive swap events for January were rained out. Joe was planning to work the February event and Milton Yee spoke up for the March drive with an assist from Jim Charlesworth. The more you sign up for membership will count toward a year end tally total to win 2 great free holiday banquet meals for 2017. Bernie continues to remind us to place your name on the application. Don Parsons spoke to our Route 66 event on February 20 in Victorville and a following luncheon to be held at his house. The March 12 event gathering caravan to Scottsdale Arizona was discussed and a jump off location will appear in your next newsletter. Break at 7:44 and Sandy Roe pushed the opportunity for members to buy tickets for our monthly drawing.

Following our break we discussed flyers for review, they will appear in your newsletter, please check them for content and interest. Remember we try to select events that give back to local community and organizations deemed worthy. An activity on the road to the zone show was discussed. Mike Van Auken needed pre-registration data for those attending Vandenberg Air Force tour on May 13. No registration means no entry and children are also welcome to tour. The 3/12 Scottsdale, Arizona event will be discussed at the board meeting to set a caravan to determine a starting point. Don Parson talked up the 4/22 Route 66 Fun Run the cost is \$50. The May 22 event all GM Show is at Warner Park off the 101 Freeway. Also do not forget to attend our March 2, White Elephant zone show fund raiser, we hope bidding will be lively. Yes folks get your hotel reservations in before the hotel block is filled and we always need volunteer judges. Parts call tonight was brief so we jumped into the drawing won by Greg Drusch. Our winners sell tickets at the next meeting. In closing Don and Mary Parsons donated a few 2016 calendars for anyone in the need. Joe with no other club business said he reserved the restaurant for our next meeting and closed the meeting. Remember to check you want and sale ads.

Southern Ca. Oldsmobile Board Meeting February 10, scribed by Secretary Domenic D. Santucci

Joe opened the meeting with a traditional flag salute by all members in attendance. No guests were present and Joe called for the treasury report. The club has ample funds to conduct ongoing business. On old business agenda items the January 23 event discussion occurred with 23 attending. An organist playing 3 songs to open the event plus he played along with the silent movies presented. Charlie Chapman and Our Gang features were highlighted and enjoyed. After the event members went to a popular eatery to enjoy lunch. The upcoming Parsons Route 66 event and the March 12 Arizona kick off caravan site were discussed. Banning will still be our caravan meeting location Grant proposed Joe to be the wagon master. Milton discussed his push for Bonita Schools Auto Shop a \$25 registration fee is for this schools training program for kids.

Agenda discussion shifted to a club quarterly charitable donation directed to serve a local organization. Harold (Butch) Williams made a motion and Grant Warner seconded the motion to donate \$200 to the "C SUN Foundation Scholarship Fund". (Ca. State University Northridge). All voted yes.

Discussion continued on a tentative April 3, Meguiar event, check for flyer to be presented. Ellen requested a flyer update for the club annual Memorial Car Show so we can get posted in JWO and have insurance and early registration offered. Joe spoke to giving the last two host of our monthly club events one of the new club signs. Joe stated he will make the belated presentations. April 29-May 1 Route 66 in Arizona needs a meeting point possibly Bun Boys in Barstow may be used. Scott mentioned that May 21 is armed forces day to celebrate and event. The May 22, all GM Show discussion, was tabled until the next board meeting. Discussions that may prompt an event are the Justice Brothers and Edelbrock. Keith will seek out their interest as host. Milton will send a flyer to Karen for the Westlake Village show.

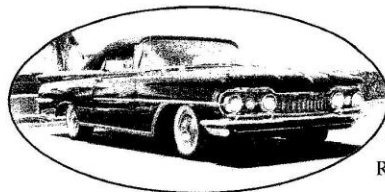

Within new business Ellen presented a sheet listing all club tentative expenses to be looked at this year for board members and asked for input. Scott noted Bereavement should be added. The form will be discussed again next month. Domenic handed out a procedure line drawing sheet to all present to get confirmation on the process to be used for the upcoming elections opening in September. More discussion to be shared next month on final needs board members need to bring their copies. Prior to closing Ellen asked for a small revision on the club membership application to separate amounts out to avoid any confusion on membership dues. Joe closed the meeting after the restaurant manager came in and a short discussion on seating was made for the white elephant sale next month. Remember to check your event calendar changes first and foremost our club Memorial Car Show date has changed.

No Awards Dinner?

That's right, on Saturday, instead of the usual pricey "rubber chicken" banquet room meal, we will have a Dessert Bar followed by the Awards Presentation. **No Dinner will be served.**

For dinner on Saturday, you have choices, 1) have dinner at one of the many local eateries, 2) order in or pick up food and join us in the Banquet Room where we will have tables set up.

The Banquet Room will be open from 6 to 10 p.m. for our use. Bring BYOB beverages of your choice and hang out with your fellow club members. A Dessert Bar with non-alcoholic beverages will be available to all. Make sure you are in the Banquet Room by 7:30 p.m. for the Awards Ceremony.

The cost of the Dessert Bar and Awards Evening has been included in your Car Show Registration. The reason for BYOB is the result of the location not having the needed licensing in place to provide alcohol but we can bring it in ourselves. We hope this option works for everyone.

Last year's Friday Night gathering was a big success, so we are doing it again. Bring your choice of beverages and join us at the Roof Top Terrace of the Hotel. We will provide the munchies and the pizza.

Route 66 Museum / Parsons Home event recap

Saturday the 20th of February, our club gathered at the Parsons' home in Hesperia to start off our sunny and beautiful day enjoying our first outing of the year with our Oldsmobile's.

We had approximately 16 members in attendance driving a mix of Oldsmobile's ranging from a late model Alero to a pair of Hurst's ('83 & '84) to a '70' 442, a highly modified '68 Cutlass, a stock '70 Cutlass Supreme, and a '66' Delta 88 with a couple of brand X cars rounding out the group.

The morning started around 9:00am with everyone arriving at the Parsons' home for coffee and munchies along with socializing, kicking tires, and taking in the vast collection of auto memorabilia, porcelain signs, and other items on display at the "Rocket Ranch"

Around 11:00am, we rounded up everyone for a short caravan drive to the Route 66 Museum in Victorville and were lucky enough to have the opportunity to park our shiny Oldsmobile's in front of the giant mural painted on the side of the museum for a great photo opportunity.

The museum itself was the kind of place that really takes a few hours to take it all in. There are artifacts, historical documents, photographs, memorabilia, interactive displays, a movie on the history of Route 66 and much more. Everywhere you turned there was more to see and read about. The staff there was very friendly and well versed on their history of this special highway and especially the interaction of it with Southern California. The gift shop there also had some great items and I spotted several members availing themselves of a few well priced items.

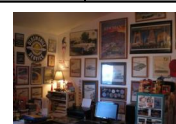

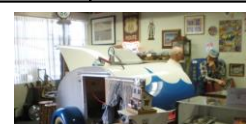

After a couple of hours of making a valiant effort to take all this history in, the need for some good eats took precedence so we saddled up for the short caravan drive back to the Parsons home where we were greeted by an amazing spread of fried chicken, pizza, baked beans, coleslaw salad, and way too many sweet deserts to count. There was also some great homemade punch, soda's, water, and coffee to wet our parched mouths (we were in the desert you know) so no one went unnourished. A big "Thank You" goes out to all those who brought such great food items for all of us to enjoy as well as the Parsons for providing the hot foods.

At the conclusion of lunch, the group presented Butch Williams with a birthday cupcake and sang the typical b-day song and he successfully blew out the one candle. He never revealed his actual age but had he; we probably would have needed a fire extinguisher to assist in blowing out all the candles...

The group then presented Don and Mary Parsons with porcelain sign to add to their collection as a "Thank You" for opening up their home to host this event and provide the hot food items to feed us all.

We all spent another hour or so after lunch enjoying the opportunity to socialize with everyone and take in more of the Rocket Ranch, thanking our gracious hosts for a wonderful day, before heading our separate ways, reminiscing the glory days of Route 66 behind the wheels of our Oldsmobile's.

The remainder of the afternoon was spent wandering through the Parsons' home (and ranch) taking in the vast displays of collectibles, signs, gas pumps,

For Sale:

1970 Cutlass Supreme Hardtop. 350c.i.d. engine with rebuilt top end by Grant Warner with large valve heads, Edelbrock intake, Lunati cam, double roller timing chain, new quadrajet carb, MSD electronic ignition, and many other streetable upgrades in the engine compartment. Car also has complete new exhaust system, new tires, powder coated super stock wheels, front disc brakes, and rebuilt a/c compressor (system needs to be charged).

Car was originally an Arizona car and is currently registered in Nevada. This is a rust free and very straight car that just needs a fresh paint job (is currently jade green with white hood stripes) and a little interior work to be a great cruiser. My daughter Melissa has decided to lower the price on her Cutlass that I listed for sale a couple of weeks back. This is one of the straightest and most rust free examples of this year you will ever come across and it is a reliable daily driver car.

The new price is \$6,900.00 and with the over 4k in upgrades and new parts on this car, that is a steal in my opinion. Come check it out and make a deal before we take it to the swap meet where it will most certainly sell quickly at that price.

Call me @ 951-906-7951 or email me at grantw@sportsfacilitiesgroup.com

For sale

I have a Oldsmobile hood emblem of the 50, completely restored and re-chromed. Groetjes Toon amphermsen@onsbrabantnet.nl
