## **ROCKET EXHAUST**

First off, thanks to all of you that voted in our election (even though there was no competition for Board posts—hopefully that will not be the case next year...hint hint!!), and to the many membership renewals that were received...hopefully that will improve also, especially with the standardization of the renewal date, and the SASE enclosed!!

Next I'd like to thank and congratulate all the Board Members, old and new—Grant and Karon for keeping this neophyte “prez” on the straight and narrow, and the great newsletter we are now able to send out to you! Area Reps Keith and Butch for your input at our Board meetings, and looking forward to working with our new Treasurer Ellen, new Secretary Domenic, and new Area Reps, Milton, Art, Scott and John! All of your help in running the club is really appreciated!

This time of year is your chance to get those projects done on your Olds “cruiser”...I've got to try to narrow down why my headlights and dash lights flicker at night...thinking I'll change out the voltage regulator first, as the generator is newly rebuilt and should be just fine...and of course check all the battery connections and grounds (good grounds are VERY important on a 6 volt car, as I've discovered!). And there's both a chirping and occasional tick sound when the car is cold, especially in this BRUTAL California winter...ha ha! I'm pretty sure the ticking sound is the fan blade nicking something—hopefully the chirping is just the fan belt, and not a water pump (also newly rebuilt!). Glad I'm not back in Wisconsin right now—they're having single digit temps and wind chills in the sub-zeros!!

Would love to see more of you out there at our upcoming events—the more the merrier, as the old saying goes!

Keep those “cruisers” cruisin'!!

Joe Tannerbauer  
OCSC President

**So. Ca. Oldsmobile Club January Membership Meeting January 6, 2016 notes.**  
**(Secretary Domenic Santucci)**

7:40 p.m. Chapter meeting opened, on a planned delay, due to inclement weather. The presidents' delay was an effort to gain more attendee's. Our ongoing kickoff meeting procedure began with the pledge of allegiance to our clubs USA National Flag. Discussion and approval of last month's membership meeting was called for by Milton Yee followed with a second from Scott Graham. Active membership in attendance approved minutes. Joe Tannenbauer addressed the members looking for new memberships or guest in attendance. YeYen Draugelis and her friend Anna was a noted guest for the evening.

Treasury report was called for and Scott Graham posted that the chapter was solvent and has operating capital. Scott noted that with the incoming annual single date for renewal funds. Scott noted he also received many OCA renewals. Scott will sort out funds to send the national club. Scott stated he will be able to surrender all treasury records and a final update to the new treasurer Ellen D. Santucci by February. Scott reminded all he still has club merchandise including the new quality window decals from a vendor Grant Warner located. Call or e-mail your needs. Grant Warner noted that there are presently 32 mailed copies of the newsletter monthly with the bulk now processed via the internet. A final note the check written to the restaurant for the banquet cleared. If any receipts are out there from 2015 needing payment submit them for consideration to Scott for action..

Under old business Joe restated and introduced members of the 2016 Board Members: President –Joe Tannerbauer//Vice President –Grant Warner//Secretary-Domenic Santucci//Treasurer-Ellen Santucci//Newsletter Editor-Karen Pierce-Warner//Area Representatives Keith Berg//Scott Graham//John Weaver//Butch Williams//Art Whitney and Milton Yee. In addition Joe noted the club sign purchase process was slower than expected apparently due to high activity volume over the holidays. A reminder was issued to members at large that we need ongoing volunteers to make our event choices and activities a continued success. Don Parsons was not in attendance to display his newly awarded pecker gift. Maybe next month he will be up to speed and the weather will cooperate. Joe Tannerbauer spoke to Jeff Draugelis receiving our life time member award. Joe then followed up with his own announcement on his Helen Early award at the last OCA Show. We hope he brings it out to share the award. Joe will work the next two LB Swap Meets followed in February by Jim Charlesworth. New activity list were discussed with the Don Parson Cruise and Route66 Museum event. Meet at the Parsons and drop off you meal perishables to share on return for luncheon gathering. Check you newsletter flyer for this and all other planned events to come. Book the Sea Crest for the March Zone Show use you club as a reference for best rates. Other event activity discussed was the NAOC SHOW 6/22 Colorado Springs and the OCA Nationals in Tenn. Bernie Buller are looking for those with any interest. Also noted a SW Zone show may be bumped on year to avoid a conflict in attendance to the OCA Nationals in New Mexico. Your board is asking you to check out event possibilities and supply research to an event. In closing parts call and clip board was collected. Grant Warner ad to sell his daughters 1971 Cutlass is posted. The Orangewood Children and Family Center thanked us for the toy and support donations. Sandy Roe had the lucky ticket on the club handout and Jeff Draugelis won a 100 year Oldsmar Florida Centennial t-shirt donated by the Roe's. Grant offered to do a presentation next month on vendor support pro and con. Joe closed out the meeting and reminded folks the board meeting is next Wednesday here at MiMi's Lakewood. A reminder, the proceeds from the White Elephant sale in March, supports our zone show. Bring item donations to sell with your interest to buy items.. Also a final note the September sale supports our annual Chapter Memorial Club Picnic. Keep up all the good work.

**1-13-2016 Board Meeting Chapter 4 of the Oldsmobile Club of America (OCA).**  
**(Secretary Minutes by Domenic D. Santucci)**

**OPENING BUSINESS:**

Board meeting kicked off at 7:45 due to a few experiencing traffic issues. Pledge of USA Flag and our country allegiance begins each meeting. No guest attended the meeting. Board Meeting is open to membership attendance on the second Wednesday of each month. If interested in board operations, or to get insight for an officer position, please feel free to attend prior to next years' nominations. Treasury report requested from Scott Graham. Annual once a year December membership renewal, on the first, is in the bank and can be budgeted. Incoming treasurer Ellen Santucci and outgoing Scott Graham had a sidebar to progress the transition of the treasury duties. Short note on not to oversize the minutes was mentioned. Karen and Domenic will tailor them to meet the needs of the meeting. Last swap membership meet drive was impacted by bad weather. The next two Long Beach Swap meets will be covered. Volunteer to work our membership drives. The February 20 event was discussed noting the Parsons effort to get the event. We also need your efforts on future locations to enjoy. Joe is working on getting our club palm tree logo signs developed for sale. The first batch will be 20 signs, with more based on interest. Review you club flyers in this issue. Karen questioned if a \$210 dollar check was issued yet to "Orangewood Children and Family Center". Scott cut a check that Ellen will deliver. Copies of chapter bylaws were distributed to the board members by Scott.

**NEW BUSINESS:**

April route 66 fun Run, will get a posting on club web site. May Zone show discussion emphasis on duplicating last year activities were the topics. Get your reservations in early, use your club name for the hotel discount. A flyer is required to get show insurance and a free OCA newsletter ad posted. The 2017 show was discussed and due to time proximity will be discussed at next membership meeting. The question on hosting the 2019 OCA National Show was raised and the board will take it under further discussion. The 2016 memorial car show discussion drew a motion from Karen and a second from Scott to keep it at the same location and to authorize 200-250 dollars to book our same location. The board voted to approve the motion. Ellen will check with rangers at Yorba Regional Park. Discussion followed to try for the first or second "Saturday" (note: day of week change) in October. A check of shows in the same time frame will help with the decision. Grants presentation at the next meeting may also touch on judging. Remember our March white elephant sale. Joe closed the meeting at the end of our agenda.

### No Awards Dinner?

That's right, on Saturday, instead of the usual pricey "rubber chicken" banquet room meal, we will have a Dessert Bar followed by the Awards Presentation. **No Dinner will be served.**

For dinner on Saturday, you have choices, 1) have dinner at one of the many local eateries, 2) order in or pick up food and join us in the Banquet Room where we will have tables set up.

The Banquet Room will be open from 6 to 10 p.m. for our use. Bring BYOB beverages of your choice and hang out with your fellow club members. A Dessert Bar with non-alcoholic beverages will be available to all. Make sure you are in the Banquet Room by 7:30 p.m. for the Awards Ceremony.

The cost of the Dessert Bar and Awards Evening has been included in your Car Show Registration. The reason for BYOB is the result of the location not having the needed licensing in place to provide alcohol but we can bring it in ourselves. We hope this option works for everyone.

Last year's Friday Night gathering was a big success, so we are doing it again. Bring your choice of beverages and join us at the Roof Top Terrace of the Hotel. We will provide the munchies and the pizza.

For Sale:

1970 Cutlass Supreme Hardtop. 350c.i.d. engine with rebuilt top end by Grant Warner with large valve heads, Edelbrock intake, Lunati cam, double roller timing chain, new quadrajet carb, MSD electronic ignition, and many other streetable upgrades in the engine compartment. Car also has complete new exhaust system, new tires, powder coated super stock wheels, front disc brakes, and rebuilt a/c compressor ( system needs to be charged).

Car was originally an Arizona car and is currently registered in Nevada. This is a rust free and very straight car that just needs a fresh paint job (is currently jade green with white hood stripes) and a little interior work to be a great cruiser. My daughter Melissa has decided to lower the price on her Cutlass that I listed for sale a couple of weeks back. This is one of the straightest and most rust free examples of this year you will ever come across and it is a reliable daily driver car.

The new price is \$6,900.00 and with the over 4k in upgrades and new parts on this car, that is a steal in my opinion. Come check it out and make a deal before we take it to the swap meet where it will most certainly sell quickly at that price.

For sale  
I have a Oldsmobile hood emblem of the 50, completely restored and re-chromed. Groetjes Toon
