ROCKET EXHAUST

Well, as I'm writing this, I'm looking forward to another fun day at the National Antique Olds Club's (NAOC) National Meet in Colorado Springs! Tomorrow is the car show, and the last few days of activities have been fun, too...so much fun I almost forgot to write this message!

We had a caravan of about 6 '50 Olds's from California, a '55, and me in my "offshore Olds" (Prius)...I didn't trust the '40 to make it all the way there, with the temps in the Arizona desert reaching 122!! We had one "casualty" in the caravan...new member Mike Johnson's '50 Holiday Coupe had a Hydromatic go out on him...but he got it to the show anyway, with a U-haul!! Talk about determination...but the gathering has been a lot of fun!

On to other things...in July, we're going to descend on Glendale for their 23rd annual cruise night (flyer in last month's R/C!), and in August, we have both Wheels 'n' Windmills and the Mountain Classic Car Show in Wrightwood (flyer in this month's R/C). And in September, a tentative trip to the Gene Autry Museum, and October of course is our own Memorial Car Show & Picnic, which Ellen Santucci is heading up—get your car entered, and start bugging a business or two for some raffle donations!!

We are still also trying to firm up our December Holiday Banquet site—suggestions welcomed!

Keep those Rockets Rumbling!!

Joe Tannerbauer
OCSC President

June 1, 2016, So. Ca. Oldsmobile Membership Meeting scribed by club secretary Domenic D. Santucci

President Joe Tannerbauer opened our meeting with the national flag salute. We had approximately 20 participants. Monthly newsletter mailing delays this month will extend the approval of the May 2016 minute approval vote until the July 6, 2016 meeting. Joe then called for Treasurer Ellen D. Santucci to give a report on the treasury. Ellen noted zone show profits were split between both chapters promoting the show. Recent charitable donations to the PADRE Group, Orangewood and a Cal State Northridge resulted in appreciation letters from both. The PADRE Group club support ad made its way around the room to be reviewed. We added 3 new members and 2 renewals for June. The chapter has adequate funds to maintain club business. A get well card, passed around the room, encouraging a speedy recovery to a club members family member. If you are aware of any members that are ill, let us know, then we can promote well wishes card signatures at meetings. Joe, Milton Yee and Jim Charlesworth are scheduled to the Long Beach Swap Meet on space J2. Member efforts to gain new members are still part of all of our ongoing efforts to increase club roster. Milton Yee recapped the Vandenburg 1 ½ hour tour. Joe and Grant Warner reported on the zone show we had 38 entries. Next year a zone show is still in question due to the proximity of the National Show in a nearby state. An interest vote promoting pushing the zone show to 2018 was taken. Discussion will occur with the Northern Chapter promoting a move to the zone show to 2018. Ellen promoted the Memorial Car Show October 15 (Saturday) get your applications in. She asked members to reach out to business interest for promotion items for the annual show raffle. Push is also on for a holiday banquet location. Site for a banquet is still open to suggestions and a follow up. Joe spoke to parts call and raffle which he won this month. Joe will pedal tickets as next month's volunteer.

July 2017 Nationals July 18-23 2017.

June 8 Chapter board Meeting Scribed by Secretary Domenic S. Santucci.

President Joe Tannerbauer held Introduction and flag salute opening meeting at 7:35 p.m. 9 board members made the meeting, no new members or guest attended. Joe called on Ellen D. Santucci to give the treasury report. \$189.00 per chapter was profits from the zone show. 3 new members in June joined with two renewals posted. Merchandise sales at zone show sold well. Scott Graham continues to monitor inventory needs. A vote to support Association of California Car Clubs at \$200 dollars passed. Karon motioned to spend the \$240 for the next 6 road show event at L. B. Scott seconded the motion and it passed after brief discussion. Based on discussion with the Northern California Chapter at this years' zone show our next tentative zone show date and location will fall in 2018 not 2017. An alternate event the north suggested in April was an All GM show in the "Fresno Area" for those not doing a national meet. Butch Williams noted that Paso Robles once passed over due to an earthquake still could be a likely spot in 2018. Let your board know of your location interest to repeat or change. A site should support a close to mid-state area. Grant interjected he also thinks Vegas may work. Joe will check on our October show ad support in the JWO Publication. Karon noted a list of 20 did not renew in December. Joe requested the list so he could call these folks. An effort to divide the list amongst the board was suggested as an option. As mentioned in the membership meeting notes there is coverage for the next L.B. Recruitment drive. Club is also considering a new meeting location so scout out areas in the 60/605 Freeway vicinity and let us know if a room to handle crowd on first and second Wednesdays are available and parking to support meeting attendee's exist. Folks going to the NAOC show are gearing up to caravan. Prior to an early meeting agenda concluding, President Joe talked to elections to open in September. He will not run as president. A number of attendee's noted, that was wish full thinking. If you are a chapter member in good standing (paid up to date) consider any office. In September we have our annual "white elephant sale" is a fundraiser for the club bank account. The meeting closed at 8:45. Our next membership meeting is Wednesday July 6, 2016.

"Vandenberg Space and Missile Heritage Center Tour"

Eight of us from the Northern and Southern California chapters of the Oldsmobile Club (Dominic Spinetta and Annie Bonfigli; Mike, Jane, and Mary Van Auken; John and Sheryl Wallin, and Milton Yee) visited the Vandenberg Space and Missile Heritage Center on Friday, May 13th. The Heritage Center is located on the Vandenberg Air Force base, about 45 miles south of the Pacific Southwest Zone Show in Pismo Beach. Our visit was pre-arranged with Mr. Larry Hill from the 30th Space Wing Public Affairs Office. We also had two Oldsmobile "Rocket V8"s with our group. Dominic Spinetta brought his 1954 Super 88 and Milton Yee brought his supercharged 1968 Ram-Rod 350 Cutlass.

We met SSgt Shane Phipps at the start of our visit, who then escorted us to the Heritage Center at the Historic Space Launch Complex-10 (SLC-10). SLC-10 was used to launch missile tests and space launches, including the Thor and Thor/Agena. SLC-10 is also listed on the national Registry of Historic Places. On the way to the SLC-10 we passed through scenic open space and wooded areas on the base, which is very large.

We were given a tour of The Space and Missile Heritage Center by Mr. Jay Prichard, the curator. He told us about the history of Vandenberg, the SLC-10, the Thor missiles, and the various exhibits. Jay explained many examples of various problems that were encountered during the history of the missile and space launch programs and how they were solved. He also explained the bigger picture and how some of the various programs and technologies fit together. Jay spoke to our group with much enthusiasm and we were all enthusiastic listeners.

Special thanks to our hosts at Vandenberg and everyone that participated in this event. We all had a terrific visit."

Best Regards, Mike Van Auken

Perris, CA 92570

Dear Karon,

Thank you for your donation to the 27th Annual PADRE Fashion Show and Silent Auction. We are very grateful to have your support for the children of PADRE. Thanks to your contribution, the PADRE Foundation can continue reaching out and helping more families to gain a sense of confidence and hope about their diabetes.

Your donation truly makes a difference in the lives of our children with diabetes and their families through classes, support groups, retreats and outings that are provided by the PADRE Foundation.

Sincerely yours,

Ryan Martz

WHEELS AND WINDMILLS CAR SHOW INFO

This Show will fill up fast so get your registration in ASAP.

If you have questions regarding the registration please email Bob Stokes at csfeedback@wheelsnwindmills.com or call (805) 688-6112 for more information.

Important Updates for 2016

Last year the Wheels 'N' Windmills Car Show began the process of returning to the "Classic" car show that we started as in 1998. We did that by reducing the cutoff date to 1979 for most classes. We also "Grandfathered" over the two "Modern Muscle" classes for one more year. This year we will be completing the transition by eliminating the two "Modern Muscle" classes and placing the cutoff date at 1980 for all classes.

Due to very limited response for the motorcycle classes last year it was decided to eliminate the classes this year. We will still have limited space available in the park for anyone wanting to "Display" their motorcycle. Please call (805) 688-6112 and leave a message if you would like to display your motorcycle at this year's event.

The Wheels 'N' Windmills Car Show committee would like to thank all of the previous participants throughout the years (regardless of vehicle make or year) that have made our show as successful as it has been. We will continue to strive to provide the best possible "Car Show" environment possible and hope that this year will be as good, or better than last year.

Wheels 'N' Windmills Car Show
Committee
Registrations is online only

LIABILITY RELEASE-CITY OF GLENDALE-CRUISE NIGHT, SATURDAY, JULY 16, 2016

I. Damage, Loss, Vandalism, or Theft to Participant's Car.

A. The Participant's car and any accompanying parts, equipment, or accessories (collectively, "Car") will be displayed outdoors at the Cruise Night event, but the Car will not be monitored or guarded by the City's staff. The Car may be viewed by the public at any time of day or night, and the public may walk around the Car. The Participant understands and acknowledges that a risk of damage, loss, vandalism, or theft is inherent in a public display. If the Participant has property or casualty insurance that covers the Car, and if damage, loss, vandalism, or theft occurs to the Participant's Car while it is on display at the Cruise Night event, then the Participant must seek payment or reimbursement from the Participant's insurance company, whose insurance coverage is primary to the City's self-insurance program and the City's other insurance policies.

B. The Participant (a) releases and holds harmless, (b) will not make a claim against or sue, and (c) waives a right of recovery against: the City and its officers, agents or employees for damage or vandalism to, or loss or theft of, one or more of the Participant's Cars, arising out of a negligent or intentional act- or other act, however caused - of one or more persons, or members of the public, at the Cruise Night event.

2. Indemnification of City for Participant's Displaying Car at Cruise Night Event. The Participant shall indemnify, defend, and hold harmless the City and its officers, agents, employees, and representatives from and against any and all claims, demands, lawsuits, causes of action, injuries, damages, costs, fees, or expenses arising out of an act, error, or omission by the Participant; or by an agent, employee, or representative of the Participant; or by both, while the Participant displays a Car at the Cruise Night event.

For Sale

Fellow Oldsmobile owners, this car belonged to Jaye's Dad, Jim Garneau, for many years. Jim died a couple of years ago, and now his family wants to sell the car.

I sent a message to Jaye inquiring of the asking price, and he replied **\$50,000**. It would be nice to keep this car in the Club, so if you know of anyone who might be interested in a car like this, please pass the info along. Paul

From: garneau

Pictures below...

There are a couple Oldsmobile collectors in our Club, and they are not on Facebook, so they will not have seen your post. If you would like to send me the information about the car, I will share it with others in the Club who may have some interest.

Paul Taylor VCCC Victoria Chapter

Pictures speak louder than words so will send you a few. Dad acquired this car in the early 90's, I remember it came in on a flat deck in pieces. He restored it to original with the intention to be able to win shows as well as take him and mom on a coast to coast tour. I have been keeping it in Mill Bay but this car deserves to be cruised and shown and i just can't find the time. I have an owner's manual, maintenance manual, fisher body parts manual, advertising and marketing Flyer, documentation from GM decoding the VIN and engine number as well as a set of mint plates from 1956. I have had two mechanics work on it and they both say this car was done right. She is very rare as only 9,500 were built and 56 wasn't a great year for sales for the super 88 convertible.
