ROCKET EXHAUST

Well, it's been a fun month, going to the AZ Olds Club Show in Scottsdale, and the following weekend, some of us went to the Bonita High School Car Show in La Verne, which benefitted the Auto Shop Program at Bonita High. Thanks to Milton Yee for letting us know about the La Verne show...it was a lot of fun, and great to see that some young people are getting interested in our "car hobby"! At that show, Milton and I were joined by Greg Drusch and John Weaver from our club. We enjoyed talking to Priscilla Englert, who runs the Auto Shop Program, and it was a good feeling to monetarily help a great program like that! Unfortunately, my '40 had a dead 6 volt battery (a GEL CELL, only a couple months short of 3 years old...grrr!!), so it was not at the show, and also I did not trust it for the venture to Arizona, considering my problems coming back last year...hopefully these problems will be fixed soon!

Coming up April 29th, our club will be participating in the "Route 66 Fun Run"...a good chance to get your Olds out, AND enjoy some great scenery and some of the old motels, gas stations, and businesses which are along the "Mother Road"! And in May, we hope to see you at the NorCal/SoCal Zone Show in Pismo Beach! The price of gas has come down some, so get the cobwebs off those Oldsmobiles and DRIVE them...it's better for your Olds, and you'll have fun meeting some of those friendly Oldsmobile folks while you're at it!

Keep those Oldsmobiles rolling!

FEES AND REGISTRATION FORM ON THE REVERSE SIDE

March 2, 2016 General Membership meeting scribed by Secretary Domenic D. Santucci

At 7:30 p.m. Joe Tannerbauer called our meeting to order. A request for visitors or new members followed with our traditional pledge to our American Flag. Joe then called for a treasury report which was offered up by Ellen D. Santucci our treasurer. 2 new members, of the 5 new since our annual renewal date, have joined our club. Twenty additional members missing their 12-01-2015 renewal date have rejoined the club. Future updates will be posted on dues requirements for new and renewals in our newsletter. A \$200.00 contribution approved by the board was posted to the Ca. State University of Northridge Scholarship Fund. A thank you letter was received from The Wounded Warrior Charity for a donation of \$580 dollars. The Day Family Car Collection March 2015 entry cost to our club was \$265 dollars. The family donated an additional \$315.00 for us to post the final check donation of \$580.00. Our clubs, "Saturday October 15, 2016", Memorial car show reservation has been made for the same site at Yorba Regional Park. Early registration helps in planning this event for you. Joe was reimbursed for \$277.60, his recent approved new club sign purchases. Scott Graham has them in club merchandise inventory for sale. Ellen closed her treasury report with the note we have adequate funds to conduct business.

Old Business and Events opened with a Grant Warner making a motion and Keith Berg seconded the motion, to approve the last month meeting notes, the motion passed. Joe noted that Milton Yee and Jim Charlesworth with host the next membership drive swap meet. A recap of the Route 66 Museum event with the luncheon at the Parsons offered a great day had by all. It is important to check your newsletters for flyers and date activity to avoid missing items on our calendar of events. During the break Butch Williams and Domenic Santucci promoted tickets for a raffle drawing following the meeting. A reminder went out under new business to check your flyers, newsletter calendar of events and club web site. Upcoming events were discussed on caravans for the NAOC and the Arizona Chapter Charity car shows. Mike Van Auken spoke to a special activity prior to the zone show. Mike spoke to us to sign up by April 10, in advance of the Vandenburg Air Force Tour. Check the post in your newsletter for the event on May 13. If you do not sign up you cannot get into the base. Well a small group of buyers bought and brought items to our semi-annual White Elephant Sale. Our March auction event assists our zone show and brought in \$120.00. Shadow ruled the event with the most purchased. Joe collected the activity clip boards passing around the meeting and called for the raffle drawing. The Raffle winnings went to Mike Van Auken. Mike offered his \$39.00 winnings back to the club treasury. Joe called the meeting closed. Next Wednesday is the board meeting.

So. Ca. Oldsmobile Club Board Meeting scribed by secretary Domenic D. Santucci

The March 9, 2016 the meeting opened at 7:30 p.m. with the pledge of allegiance to our national flag. Joe our president noted no guest present and called for a treasury report. Ellen, our treasurer, reviewed an estimate of expenses. An effort to increase our membership is ongoing. We also rely on our members to individually promote our hobby to other Oldsmobile Owners. Two of our highlighted events this year were discussed with emphasis on early promotion for registration. Get yourself set up for the ZONE SHOW (flyer in this issue). Remember to post the October ANNUAL MEMORIAL CLUB car show on SATURDAY 10-15-2016.

Promotion for new members can be obtained by recommending or handing out applications. Club Applications can be found in our newsletter and on our web page. Ellen, Karon and Scott Graham proposed updates for our club application. Karon, our Newsletter Editor, will undertake the changes for our web site and for road show handouts.

Our quarterly donation to a charity was voted on to support the "PADRE Foundation". PADRE is dedicated to help children with Type 1 Diabetes and their families manage their diabetes through education, support groups and events. Karon made a motion to donate \$150.00 this quarter, to the PADRE Foundation. Joe seconded the motion and after discussion the motion was passed by the board.

It is important that all members keep up with their newsletter and web calendar of events. Our newsletter will contain flyers on activities we will plan as a club. Check your flyers on events that are to occur within the next two months. A number of activity proposals were raised for June and July. New members mean more activity item suggestions. The board asks that you contact your board with interesting events we can support. To promote the VANDENBURG AIR FORCE BASE, tour please check your newsletter and contact Mike Van Auken. You cannot enter Vandenburg unless you are on his list. In closing, a review of awards was discussed for our annual show. If you have any ideas on the type of award that can garner more participation at our October picnic, pass your information to a board member. Joe closed the meeting at 8:58 p.m.

On July 3, 2014, our 6-year-old granddaughter, Emma, was diagnosed with Type-1 diabetes. After 4 intensive days at CHOC Hospital with Emma, we learned about the 24-hour vigil that would now have to be our "New Normal" (as we call it). Never having to deal with diabetes, our minds were literally spinning. Without being asked, in came PADRE to the rescue!!! They helped the whole family (including Emma's cousins) with classes and a great support system to assist all of us with dealing with our day-to-day life with a person with Type-1. We have even been able to "pay it forward" with assistance to the school nurse and other people dealing with Type-1. With the help of PADRE events, Emma now knows that she is not the only one in the world with Type-1.

Thanks to PADRE, who also sponsors Type-1 camps, she can even enjoy the fun of an overnight camp.

PADRE has truly been a blessing to our family.

We would like to thank the Olds Club for their wonderful donation to help support the PADRE Foundation.

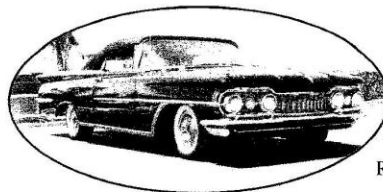

The Santucci Family and especially our granddaughter, Emma Dierking

No Awards Dinner?

That's right, on Saturday, instead of the usual pricey "rubber chicken" banquet room meal, we will have a Dessert Bar followed by the Awards Presentation. **No Dinner will be served.**

For dinner on Saturday, you have choices, 1) have dinner at one of the many local eateries, 2) order in or pick up food and join us in the Banquet Room where we will have tables set up.

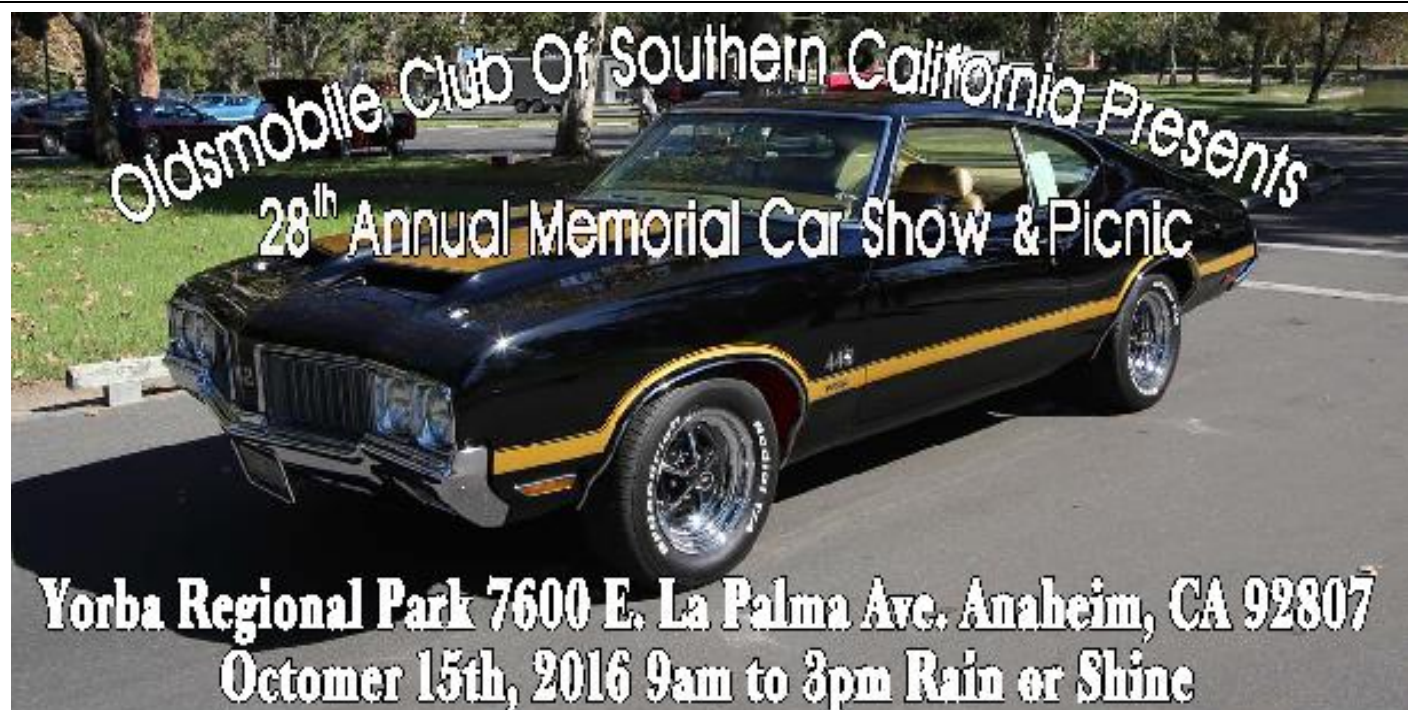

The Banquet Room will be open from 6 to 10 p.m. for our use. Bring BYOB beverages of your choice and hang out with your fellow club members. A Dessert Bar with non-alcoholic beverages will be available to all. Make sure you are in the Banquet Room by 7:30 p.m. for the Awards Ceremony.

The cost of the Dessert Bar and Awards Evening has been included in your Car Show Registration. The reason for BYOB is the result of the location not having the needed licensing in place to provide alcohol but we can bring it in ourselves. We hope this option works for everyone.

Last year's Friday Night gathering was a big success, so we are doing it again. Bring your choice of beverages and join us at the Roof Top Terrace of the Hotel. We will provide the munchies and the pizza.

On Friday, March 11th, some members of the OCSC left around 10am from Van Nuys to attend the Arizona Olds Club's "All Oldsmobile Show" in Scottsdale. In the caravan, we unfortunately had only three people and two "non-Olds" cars—me in my "off-shore Olds" Prius, and new members Howard and Virginia Knowlton in their Dodge Ram camper van. When we got in the Phoenix area, we stopped for supper at the Black Bear Diner on Dysart Road to quell our hunger, then we went on to our respective motels for the night.

Possibly due to the threat of rain, but more probably because of the cost of motels due to NASCAR being in town for the weekend and baseball spring training, only Hayden Long with his '50 "88", Jim Schultz with a '58 "88", and Dan and Jackie Flanagan with their '57 "88" were in attendance with show cars from our club. But those of us that were there had a great time viewing all of the beautiful Oldsmobiles at the show on Saturday—65 in all!!

After our show was over at 1pm, there is always a HUGE show of all makes and years at the same "Rock & Roll" McDonalds. I did not attend that show, but wanted instead to go to a spring training game that day, and stuck around until Monday for two more baseball games as well.

I had a great time...just too bad that more of our membership did not attend this show which is always a fun time, especially with the price of gas being lower than it has in quite a while. Perhaps next year we can get the AZ Olds Club to schedule this show when there is no major event happening the same weekend.

Joe T. for

1970 Cutlass Supreme Hardtop. 350c.i.d. engine with rebuilt top end by Grant Warner with large valve heads, Edelbrock intake, Lunati cam, double roller timing chain, new quadrajet carb, MSD electronic ignition, and many other streetable upgrades in the engine compartment. Car also has complete new exhaust system, new tires, powder coated super stock wheels, front disc brakes, and rebuilt a/c compressor (system needs to be charged).

Car was originally an Arizona car and is currently registered in Nevada. This is a rust free and very straight car that just needs a fresh paint job (is currently jade green with white hood stripes) and a little interior work to be a great cruiser.

My daughter Melissa has decided to lower the price on her Cutlass that I listed for sale a couple of weeks back. This is one of the straightest and most rust free examples of this year you will ever come across and it is a reliable daily driver car.

The new Lower price is \$6,000.00 and with the over 4k in upgrades and new parts on this car, that is a steal in my opinion. Come check it out and make a deal before we take it to the swap meet where it will most certainly sell quickly at that price.
