ROCKET EXHAUST

Well, I'm writing this after attending our 28th Annual Memorial Car Show and Picnic...which would have been a little more fun for me, had I been able to take the '40 to the show. This time, it was headlights that did me in!! The night before, I left my usual Friday cruise-in at Ruby's Diner in Redondo Beach, decided to take the '40 for a little extra spin, had gotten about a mile past my apartment, when suddenly the headlights and dash lights started flashing on and off, like I was sending Morse Code or something. So with me having to leave the next morning at about 6am, I didn't feel safe taking the '40, so I loaded up the Prius instead...

It turns out my headlight sockets had gone bad (melted mostly) after only about 5 years of not much usage...hmmm. Maybe putting in the quartz halogen headlights wasn't such a good idea?? Will have to do a little more research. To top it off, when I tried to order a new pair of headlight bucket wires over the phone, my Master Card had gotten forged by some lowlife to the tune of about \$400 at a Stater Brothers, and he (she) filled up their gas tank as well. So I sent a check instead...guess the new harness will have to wait a while longer....grrrr.

Getting back to the Picnic, we had only one club member other than Board Members, HELP OUT at the Picnic, which meant that yours truly had to cover for four or five different jobs...set-up, raffle ticket sales, helping with pulling tickets for the raffle, announcing the Show Award winners, and tear-down. Where were all the rest of you?? We could use more help, folks!! All it would take is for a few more of you to volunteer about 2 hours to cover ONE job at the show, so that ALL of us could have SOME time to enjoy the beautiful Oldsmobiles. I had almost NO time to do that. I'm not really whining, but come on folks, HELP OUT a LITTLE!!

And, we are going to have several months open to plan events for next year, so I'm hoping some of you step up for that as well...if you want your club to keep holding FUN events, help out!! Just contact a board member with your ideas!!

Until next month, keep 'em rolling!

Contact him with your needs. Five memberships with some as early renewals for 2017 were received. Club has adequate funds to conduct business and promote more events. Joe asked for a vote and an approval for last month's two meetings, both were approved after discussion with Ellen's name added as omitted last month. Joe opened nominations for our next year officers. Presently still no nomination for President, Joe will not run for a third term as president. V.P. Grant Warner, Secretary Domenic D. Santucci, Treasurer Ellen D. Santucci, Newsletter Editor Karon Pierce-Warner, Area Representatives: Keith Berg, Scott Graham, Joe Tannerbauer, Dave Walters, John Weaver and Butch (Harold) Williams. No new nominations from those in attendance. Nominations close at the end of the October Board Meeting yearly. A self-addressed stamped envelope with your ballot/s and renewal notice will be mailed to active and associate members. Ellen will be the return addressee. Trophy and class awards were discussed and a budget for trophies approved. Discussion held on who is holding club assets to bring to the show was had. A reminder that early registration makes for the best planning so on events get your applications in early. Our December Holiday Banquet will not be at Mimi's. See your newsletter flyer on location, restaurant type and meal cost to send in early. Last month's events were discussed including the monthly Long Beach Swap Meet space J2's Membership Drive. The Holiday Banquet, two free meal contest, promoting membership is in play. Volunteer for the booth to promote our club and assist Oldsmobile enthusiast. Contact your board for available dates and opportunities. Joe promoted the November events posted in your newsletter. We hope the effort made on your behalf, for event participation, is equal to the time and effort to search and investigate locations you will enjoy. On our new year the Nethercutt Museum tour will be checked, a February remodeled Peterson Museum Tour is considered plus the March Arizona annual car show. Check and relay interesting locations. We value your choices and interest, tell a board member. Joe closed the meeting after a part wanted or for sale request, with the clubs \$47.00 drawing, won by Jeff Draugelis. He will be our promotion volunteer next month. Karon requested that first responder members in our club should contact her, to submit their information, to have an opportunity to be in a JWO ISSUE that is in the planning stages. Joe closed this evenings meeting.

Joe will check on the Peterson remodeled Museum for February. A request for reimbursement was delivered by Keith Berg, for a member Bill Earsham, to support a Helen Early award. Journey with Olds Chapter participation.

May 2017. This issue will be the second installment in the "Salute to Heroes" series. However, this installment will be themed, "Salute to Heroes: 1st Responders & Their Oldsmobiles."

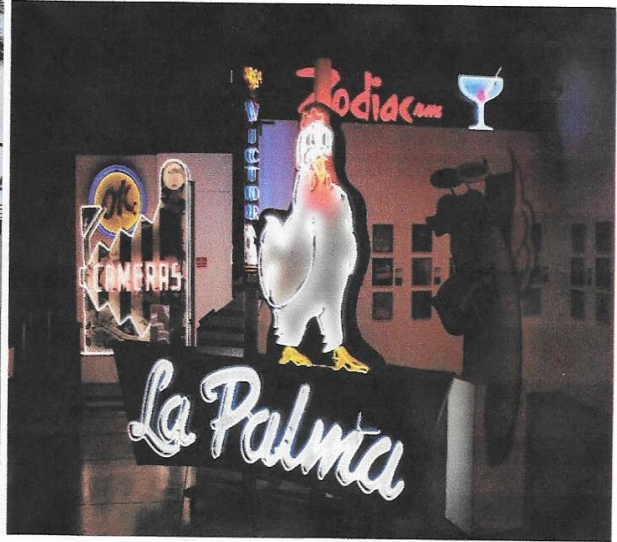

This issue will feature member articles from those who are current/retired, police officers, fire fighters and EMTs.

Just as with the first "Salute to Heroes," I am in need of Chapter lists.. All Chapter lists are due to me via email no later than Monday, March 27, 2017. By writing now, hopefully this will give all ample opportunity to capture the needed information at monthly meetings and Chapter events. As with the first "Salute to Heroes," if a member is a 1st Responder, but does not want to share all of their information, that is just fine. I would, however, like their first and last names and if they were a police officer, fire fighter or EMT.

Also, they do not have to be a member of the OCA. If they are a Chapter member, please include them on your list. My goal is to honor as many Oldsmobile enthusiasts as possible who have served our communities.

Special raffle notice:

The Olds Club of Southern California is excited to announce a special raffle prize item that is planned to be awarded to a lucky winner at the upcoming Holiday banquet in December if we reach our target minimum dollar figure for raffle ticket sales which is \$500.00.

This prize is one pair of Pro Comp brand aluminum cylinder heads that fit all Olds engines 330-455. These are "bare" heads that come ready to be assembled and include the hardened seats and bronze valve guides already installed. The winner will need to finish the assembly with their choice of valves, springs, retainers, and seals.

These aluminum cylinder heads have been graciously donated to our club by Bernard Mondello Racing Enterprises and the proceeds from this raffle will help benefit our continued charity support of the Orangewood Children's Home.

The retail value of these cylinder heads as donated is \$800.00 and if these heads are final prepared by Bernard Mondello, you would spend roughly \$800.00 in additional parts and labor to have them ready to bolt on. Depending on how many tickets you purchase, you would have a significant savings compared to purchasing a set of "ready to bolt on" heads.

Tickets are available at any time and are being sold at \$5.00ea so we only need 100 tickets sold to reach our minimum sales target. You can purchase tickets at the next club membership or board meeting, at the Holiday Banquet, or even mail in a check to the club for your tickets. If you choose to mail a check, please make checks payable to the Olds Club of Southern California and mail them to 19427 Spirit Trail Drive Perris Ca. 92570 and include your return address to receive your ticket.

Get your Tickets at the November Membership meeting, at the Holiday Banquet or send A check to the Warner's and they will send you your tickets. Remember, the Orange Wood Children's Home will be the recipients of the proceeds. Thank you to the Mondello's
