Oldsmobile Club of Southern California

...is one of the largest chapters of the Oldsmobile Club of America. Members in our chapter desire to participate in various events with other local Oldsmobile enthusiasts.

Meetings are held once a month to plan tours, picnics, shows, events and to hear guest speakers. These meetings are open to all local club members and interested prospective members.

You will receive a local chapter Newsletter "The Rocket Circle" via email. If you join the National Club you will get the national magazine "Journey with Olds" magazine. We host an annual car show with "National Show" judging standards. To help you learn what it takes to score well in all judged areas of your vehicle.

We are here to help you with all aspects of owning your Oldsmobile's. Local chapter members have the option and we recommend that you join the National Chapter.
