## **ROCKET EXHAUST**

Well, here we are, heading into the third month of 2018 already...where does the time go, really?? I think the end of January and first part of February have gone really fast for me in particular, between trips first to Arizona for a week, then a few days later to Wisconsin and the frigid cold and snow...well, more on that later!

Coming up, for all of you Oldsmobile enthusiasts, we've got some nice shows planned for when the weather will be a little warmer—toward the end of March, we're headed to AZ as usual to join the AZ Olds Club for their All-Olds Show, which is followed by an all-makes show in the same location!! Two shows to enjoy for your trip...not to mention plenty of other things to do in Arizona if you want to stay longer—I can HIGHLY recommend the Desert Botanical Gardens, and the Butterfly Wonderland, as long as you don't mind a butterfly or two landing on you...ha ha!!

And in April, a little closer to home, will be the Westlake Village Car Show, which is connected to a nice all day street fair as well!

And May 4<sup>th</sup> and 5<sup>th</sup> will be our annual Pacific SW Zone Show—which has a little different twist this year—we're joining the Central CA Pontiac Club for their big GM car show as well—Pontiac, Olds, Buick, GMC, and Cadillac will all be represented!! Sound like a GREAT time...you HAVE sent in your registration for both shows by now, haven't you?? If you haven't, there's still time, but not much!! May will be here soon enough!!

Well, back to a little about my trip to Arizona for the Brewer's "Fantasy Camp"...in one word, it was a BLAST!! If you're on Facebook, "friend" me, and you can check out the pictures of this 66 year old looking and acting (almost) like a Major Leaguer!! The camp is for a week; you get to play 10 seven-inning games of baseball at the Maryvale (west Phoenix) facility where the REAL major leaguers are presently having their spring training, and you get the full "major league" experience—coaching by former Major Leaguers, in this case members of the 2008 Wild Card team—like Cory Hart, Prince Fielder, Ben Sheets, etc., all of whom have been All Stars at least once!! My team didn't do well, but it was a great learning experience for me—baseballs fly a LOT further and faster than softballs!! I definitely had to adjust my outfielding skills, or at least try to!! And of course, trying to hit a 70-80mph fastball is WAY different than hitting a lobbed softball. I ended up at 4 hits in 20 at-bats, (.200 average), which, considering I've never done anything like it before, wasn't too bad.

My trip to Wisconsin was a lot less fun, what with the snow and cold, and managing to hit "black ice" with my rental car, and sliding into someone else at only around 20mph, well, you get the idea. Did at least get to see both of my cousins and a few friends when the roads were OK, though. Am GLAD to be back in Cali!!

Keep the shiny side up, and I hope you don't get into any fender benders!! See you on the road this year??

Joe Tannerbauer  
Area Representative

February 7, 2018 socialoldsmobile.com Membership Meeting scribed by Secretary Domenic D. Santucci

Members and guest were offered an opportunity to speak after our traditional flag salute. Guest in attendance Trent Plunges. Joe Tannerbauer Area Representative led and passed out his prepared agenda for tonight's meeting. Joe tossed in some of his recent trip notes on baseball camp as an adjunct to the conversation. **Two** months of newsletter minutes required and received approval. The long Beach Swap meet and membership drive was handled by Joe noting it was slow. Butch Williams and I will work February. **WE** will need volunteer/s for March. A motion was made to approve the minutes and the motion was approved. Ellen D. Santucci Club Treasurer was asked to fill in the group on club finances. Ellen noted that financials posted in the last newsletter for 2016 can be used as a comparison document. You can review it with a copy of the end of year 2017 in this newsletter. The club has adequate revenue to operate. Ellen passed a get well card around for Susie Lentini. Ellen mentioned she had a letter from Orangewood Children's Facility in Orange thanking the Chapter for all our donations including cash we delivered. Karon Pierce-Warner had called them in advance and she volunteered for the chapter, to get specific items. Children reaching the age of 18 are in transition for release and get and need assistance. We also had a full car of toys that we brought from the Clubs Holiday Banquet member donations. Ellen noted the SB1 Gas tax recall drive on legislation passed by the state. Ellen noted she had address information for anyone at the meeting wanting more data. Since December 1, a total of 26 new members joined the club. Our total membership is just under 140 which is lower than renewals sent out. On a positive note we added 20 new Associate Members. We need all members to seek new Oldsmobile Owners to join our chapter so drop a flyer (obtain on line) on an Oldsmobile and talk up the club. Two free banquet meals are up for grabs in 2019 to the member signing up the most new members this year. We had a 3-way tie in 2018. The winners were Joe, Grant and Myself and will all be awarded one banquet meal. David Walters, Area Representative, spoke about the San Juan he attended with five other club members for 2019. They really enjoyed the day and recommended it for the future. A final note on old business from recent elections to keep you updated. Grant Warner accepted the the office of President. He withdrew from his position of club Vice President. We had 3 write-in candidates for President. Two of which withdrew from running after learning via registered letter that Grant was 1 of the 3. Leaving Grant to assume the position. We encourage anyone interested in holding a club office to make membership and board meetings to see the scope of the duties that the position requires. The board will determine our path forward at our next meeting on a process for elections that will avoid additional delays in posting results. Break was called and 50/50 tickets sold by Sandy Rowe last month's winner with support from Butch Williams and John Weaver selling tickets. Bernie Buller won tonight and will sell tickets next month. **White** Elephant sale **next** month, one of two we have to cover show expenses per year. Plan to donate and attend auctions to support the Zone and annual Club Picnic. I will lead the meeting and Grant and Butch Williams will run our auction. March 24<sup>th</sup> Arizona caravan is forming e-mail Joe if you consider participating. Check your newsletter calendar to get yourself signed up for the upcoming shows. Westlake Village and our ever popular Zone Show in Clovis in May will be here soon, please check all your flyers for information. Joe noted **Scott Graham, merchandise manager, has more Palm Tree Club Wall Signs they are 15" and are \$15.00.** The parts call clip board made its rounds on the table Karon will post ads in our newsletter. Karon also submitted cost for newsletter processing including the renewal of a PDF annual software reader expense. Joe closed the meeting for the evening. We transferred the swap meet gear to Joe after the meeting.

February 13<sup>th</sup> 2018 socialoldsmobile Board Meeting scribed by secretary Domenic D. Santucci

Joe Tannerbauer passed out an agenda and led tonight's meeting. Joe led us in our flag salute and also noted no guest were present. Chapter finances for 2017 can be found in this newsletter and status of our chapter is solid. A request on how clubs new canopy worked out at the Long Beach Swap Meet Membership Drive to promote our chapter and OCA. I noted that after it is used a few times it is believed it will be easier to put up by one person. The process is straight forward once you know the release and lock points to gain expansion. We also have 4 sand bag weights to weight the corners in the event you have a windy day. Mark your schedules to meet the next Membership Meeting as one of two fund raisers for chapter events. Check your calendars to be ready to caravan to Arizona on an annual cruise to a car show. A reminder for all to check updates in our calendar of events posting newsletter listings. It was discussed and determined to avoid delays in our balloting process that the cutoff date will end additions to the ballot. Write in candidates delay a process and if an individual is interested in the office they have **ample** time in the process to enter their nominations. A review of dates for this year's club event dates identified October 6, 2018 as this year's picnic. Post the date to your calendar. Yorba Regional Park as 2018 will be our location first Saturday in October 2018. See flyers in your newsletter for the next event opportunities. An event for July is needed and members are encouraged to submit an option for members. An event this month to raise funds for the Route 66 Victorville Museum damage, not covered by their deductible from a burglary, is in the works. I will moderate the next meeting and Grant Warner and Butch Williams will hold the auction. We would like folks to bring their overflow of items for the auction just avoid any greasy or oily parts. Ellen our treasurer will handle the collection of the funds as the items sell at the auction. Bernie Buller will be promoting our meeting raffle. Joe closed the meeting.

#### Show Classes

To ensure that trophies for this show are awarded in the fairest way possible, independent judges (not from the host club) are assigned to review and score entries in each class. Please review the classes shown below and select the best one for your car. Contact Sam Fisher (contact information on Page 3) if you have any questions about your car and how it may fit into a class.

#### Stock Classes

Vehicle may not have any modifications listed under the definition of the Modified classes. Vehicle should have a stock appearance. No more than 3 of the following changes will be allowed in the stock class: Non-stock appearing intake/carburetor, exhaust manifolds, headers, wheels/tires (within appropriate size range and style to be age appropriate and to be consistent with a stock appearance), ignition, radiator, AC compressor, auxiliary gauges, battery cables and other items considered as minor. If more than three changes are detected during judging, the score for the vehicle may be adjusted. In addition to these items, paint will not have to necessarily match an OEM color but should be done in a manner that does not distract from the stock appearance. If two or more vehicles are considered tied during judging, the most stock appearing vehicle will prevail. Vehicles entered in Class Q (Unrestored/Survivor) may not have more than one exterior panel re-painted; one seat cushion replaced, minor engine work, etc.
