The "Valve Job" March 2018 Domenic D. Santucci

Just a note on thankful donations that ran up the number of sales at our recent Chapter 4 first white Elephant Sale of the Year. I look forward to opening elections of club officers and the next "White Elephant" sale in September. Our two-yearly sales support a Zone Show, this year on May 4 & 5 and our Club Memorial Picnic on October 6, 2018 (applications are now available). Joe Tannerbauer scribed March Meeting notes in this newsletter and Scott Graham will host the April Meetings. Our chapter board is busy spending money for chapter spirit items. Call Scott on merchandise needs he is listed in our newsletter. As we venture into the year we rely on an annual budget based on sales of merchandise, event sales or raffles and new or renewal member revenue. Our base membership drives our expenditures and your help to increase our members to increase our roles will be helpful. Pass out an application if you attend an automotive event or you happen on another Oldsmobile Owner. Our free dinner winner for the Holiday Banquet in the next calendar year is based on the member signing up new memberships. Most of our event calendar posting have one event listed monthly. We are working on the Holiday Banquet now so save the date of December eighth (8) and the time of the event this year is between 10 a.m. to 3 p.m.

MARCH 7TH MEMBERSHIP MEETING MINUTES

by Joe Tannerbauer

Domenic Santucci opened the meeting; guests present were: Jan Turley ('72 Cutlass Supreme), Michael Kruly ('67 Cutlass), and Karen and Ron Millman, with 5 Oldsmobiles of various years.

Jim Charlesworth and Milton Yee talked about the Long Beach Swap Meet—good interest in the club, but a little sparse on vendors?

TREASURER'S REPORT—Ellen Santucci reported we are at 145 members, and that our treasury is very solvent. She pointed out that a "P.R." person is needed to promote our shows on various websites, Drive magazine, etc...volunteers out there??

Next, Domenic promoted some of the upcoming shows such as the AZ show, and our Zone Show; get your cars entered!! Butch promoted the Westlake Show on April 22nd; it is a benefit for their Rotary Club, and various charities; 100 cars already registered!

WHITE ELEPHANT SALE—Grant and Butch (Vanna) sold the many items brought by members.

February Meeting Minutes were discussed and approved with no modifications/errors.

Karon pointed out that we need a venue for our Holiday Banquet (venues fill up fast!). She will check on one possibility. Meeting adjourned at 9:20pm by Domenic.

MARCH 14TH BOARD MEETING MINUTES

by Joe Tannerbauer

Domenic Santucci opened the meeting at 7:35pm; there were no guests present.

TREASURER'S REPORT: Ellen reported our treasury balance is in great shape; 148 members in the club at this time; \$241 was the profit from the White Elephant Sale! The Long Beach Swap Meet pass needs to be renewed; Karon made a motion to appropriate the funds for this, Scott seconded; motion passed. Also, our PO Box needs to be renewed at a cost of \$82; Grant moved that we renew this, Joe seconded; motion passed.

OLD BUSINESS: Domenic mentioned that Bernie Buller has volunteered to do the April 50/50 sales, as there was no 50/50 at the March Membership Meeting, thus no person was appointed to do that job.

Arizona Olds Show—caravan?? Art & Pete Saueracker may be leaving on Friday. Art will call Pete r/e this.

Next, Joe mentioned that our old, warn-out Club EZ-up was taking up space in his garage; what do we want to do with it? After some discussion, Karon made a motion that it be donated to the Salvation Army, Dave seconded; motion passed; Joe will take care of delivering it to the RB Salvation Army.

In July we are joining the "OC Cars & Coffee" cruise-in in San Clemente. Next, our Holiday Banquet was discussed (as a Saturday BRUNCH); Karon already researched the Phoenix Club in Anaheim; a couple of other options were discussed but weren't researched yet. As venues fill up fast, Grant made a motion that we approve the \$500 deposit needed for the Banquet Brunch at the Phoenix Club on December 8th, Scott seconded; motion passed. Mark your calendars for Saturday, Dec. 8th for this!!

NEW BUSINESS: Domenic brought up the subject of how many times flyers for our events are posted in the MAILED R/C's—only ONCE, as there is a limit of 10 pages (5 sheets) due to postal costs, but there are Calendar reminders, and mentions in President's Message also. The e-mail R/C's have much more repetition of flyers, due to unlimited space availability on the digital version.

A volunteer is needed for the April 8th LB Swap Meet; Joe will check with Jim Charlesworth & Milton Yee if they would like to do it; **STILL COULD USE SOME MORE PEOPLE TO DO THIS ONCE OR TWICE/YEAR!!**

Scott pointed out that he will need to order more Club Merchandise for use at the Zone Show and other events this year—he passed out a list of needed items totaling just under \$700; Joe made a motion to appropriate a maximum of \$700 for this, Art seconded; motion passed. Also, Scott has 2 orders for OCSC Jackets in the works already (\$85+tax)...contact him ASAP if you would like to get in on this order—there will be a notice in the next R/C about this also!!

Next, Karon pointed out that our Club website hosting fee has been graciously handled by Don Gibson—a motion was made by her that the Club give Don a free Club Membership to partially reimburse him for this, Keith seconded; motion passed. Meeting was adjourned by Domenic Santucci at 8:55pm.

Show Classes

To ensure that trophies for this show are awarded in the fairest way possible, independent judges (not from the host club) are assigned to review and score entries in each class. Please review the classes shown below and select the best one for your car. Contact Sam Fisher (contact information on Page 3) if you have any questions about your car and how it may fit into a class.

Stock Classes

Vehicle may not have any modifications listed under the definition of the Modified classes. Vehicle should have a stock appearance. No more than 3 of the following changes will be allowed in the stock class: Non-stock appearing intake/carburetor, exhaust manifolds, headers, wheels/tires (within appropriate size range and style to be age appropriate and to be consistent with a stock appearance), ignition, radiator, AC compressor, auxiliary gauges, battery cables and other items considered as minor. If more than three changes are detected during judging, the score for the vehicle may be adjusted. In addition to these items, paint will not have to necessarily match an OEM color but should be done in a manner that does not distract from the stock appearance. If two or more vehicles are considered tied during judging, the most stock appearing vehicle will prevail. Vehicles entered in Class Q (Unrestored/Survivor) may not have more than one exterior panel re-painted; one seat cushion replaced, minor engine work, etc.

Caravan to Scottsdale

It was a dark and stormy night March 22, 2018. But Friday morning was dry if somewhat overcast. The two car caravan left the parking lot at the McDonalds in Pomona at 8:30 that morning. It was headed up by Milton Yee in his 1970 supercharged Cutlass with Jim Charlesworth as navigator, Art Whitney bringing up the rear in his 1950 Olds 88. Art was able to keep up the blistering pace set by Milton, thanks to the 455+ c.i. Olds, courtesy of Warner Enterprises in Perris, CA. Everything was uneventful until the Chiriaco Summit on Interstate 10. Lady Luck smiled on us at that point. We managed to pull up to the gas pumps about one minute before a contingent of more than 30 Harleys on their way to Tombstone. After a brief meal, we were on our way east to Scottsdale. We had the misfortune to hit the Phoenix area non-rush hour traffic about 3PM. Bad luck. Took about one hour to get to the hotels. Milton and Jim opted to attend the dinner at the Vitter house but Art, being more ancient, had no stamina for the one hour drive. An excellent meal of BBQ chicken and pulled pork was enjoyed by all. The desserts were even more spectacular, consisting of chocolate cake, chocolate covered strawberries and rum soaked cherries. The Rock 'N' Roll McDonalds at the Scottsdale Pavilion was the site of the Saturday morning show. There were many beautiful cars all over the place. The two biggest classes were 1964-1967, Performance and the Modified class. Milton grabbed the second place honors in the Modified class. Good job, well done, Milton.. If you've managed to get this far, read on just a little more for some intelligent enlightenment. Google "It was a dark and stormy night" Wikipedia version, it's a clue to the first sentence in the story. I especially like the version under "Literature" the reference to Peanuts.

Thank You Art.

I am not currently a member, but was for many years long ago. I am looking for some advice, if possible. I own a 1958 Olds 88, 4 door, that I am going to be selling soon. I bought it from the original owner in 1980 (with 42,000 original miles on it) and have maintained the car for all these years. It is still in all original condition (except for a little added paint) and is in "everyday driver" condition right now. It has a little less than 100,000 miles on it and is considered a "20 footer". I have attached a couple of pictures. I have no idea how much it would be worth or how much I should sell it for, or where or how to even sell it. Thank you for any advice you are able to offer!
